Persuasive Aesthetic Ecocritical Praxis Patrick D. Murphy, 2015-08-20 Persuasive Aesthetic Ecocritical Praxis continues Patrick D Murphy's focus on transversal ecocritical praxis by considering literature and cinema in terms of the persuasive force of aesthetic activity and whether or not artistic production and its criticism can be considered forms of activism Murphy argues that literature and other forms of aesthetic production hold out the promise of being able to move some individuals deeply through both affective and intellectual engagement in ways that facilitate ideological reflection To analyze aesthetic production ecocritically requires a transversal orientation in order to work continuously at accommodating a vast array of often seemingly disparate perspectives disciplines and contextual information as well as the ever changing thematic plot setting and contextual elements of the aesthetic works under consideration and the responses of changing audiences through time and across cultures Murphy demonstrates this approach through presenting theories of transversality and applying them with attention to issues of propaganda agitation and persuasion both in terms of artistic production and the criticism of such production He also brings an ecofeminist orientation to the fore with particular attention to the gendered economic aspects of environmental issues in an age of land grabs and plantation economies Along the way he treats a wide range of literary works films and miniseries In American literature he discusses realist and science fiction works from Susan Fenimore Cooper's Rural Hours to Paolo Bacigalupi's The Windup Girl Barbara Kingsolver's Flight Behavior to Kim Stanley Robinson's 2312 and Ana Castillo's So Far from God to Leslie Marmon Silko's Gardens in the Dunes In international literature he analyzes Mo Yan's The Garlic Ballads Jiang Rong's Wolf Totem Michiko Ishimure's The Lake of Heaven Miyuki Miyabe's All She Was Worth and other novels The book concludes with a reading of Ernest Callenbach's Ecotopia and Ecotopia Emerging an Afterword recommending further directions for transversal ecocritical research an and interview that discusses Murphy's previous book Transversal Ecocritical Praxis and provides some personal background on the author *Senate Bills, Original and Amended* California. Legislature. Senate, 1957 **Being Jewish/reading**

Heidegger Allen Michael Scult, 2004 This innovative book investigates being Jewish not as a sectarian religiosity but as a way of being in the world particularly suited to understanding Heidegger's early phenomenology At its core is an intimate engagement with sacred texts which grounds being Jewish in a way of life constituted as a way of reading a way of reading transmitted to succeeding generations as a passionate teaching Allen Scult argues that Heidegger was similarly involved in a passionate attempt to introduce his students to philosophical practice through a personal engagement with the words of Aristotle Scult traces the hermeneutical affinity even intimacy between Judaism as a way of life grounded in an intense interpretive relationship to the Torah and Heidegger's view of philosophical practice as a similarly intense interpretive relationship to the founding texts of Western philosophy In tracing the dynamics of this relationship in Heideggerian and Jewish hermeneutics Scult not only finds mutually enlightening points of contact between the two but also uncovers new

ways of understanding how Heidegger's fundamental ontology is grounded in the lived experience of religion Allen Scult is National Endowment for the Humanities Professor of Philosophy and Rhetoric at Drake University He is co author of *Rhetoric and Biblical Interpretation Being Jewish Reading Heidegger* ponders what it means to read Heidegger on his own terms that is to read him from the place where one is in Heidegger's language in and from the facticity of one's own Being To be Jewish according to Scult is to be entexted with Torah Scult argues that this notion of binding one's being with a textual tradition underlies Heidegger's theory of Dasein He uses Heidegger's lectures on Aristotle's Rhetoric to illustrate how Heidegger reads Aristotle and in doing so teaches the Jew how to be Jewish in the world through an engagement with a textual tradition Torah Shaul Magid The Jewish Theological Seminary of America a compelling account of how being Jewish enacts the sort of concrete revealing relationship to a text and a world that makes meditation on being as Heidegger early and late understands it possible Only someone with Allen Scult's trained ear for the subtle interplay of rhetoric and hermeneutics could make us see the remarkable parallels between the Rabbis reading of the Torah and Heidegger's reading of Aristotle he makes a trenchant case for a reading of Heidegger not as prophet but as Rabbinic sage Daniel O Dahlstrom Boston University *Being Jewish Reading Heidegger* ponders what it means to read Heidegger on his own terms to read him from the place where one is As a Jew seriously engaged with Heidegger as both a philosopher and a thinker Scult posits that being Jewish is not simply a consequence of birth or biology but of binding one's being with a textual tradition Torah This book is really about a search for being Jewish using Heidegger as a guide a guide that shows the seeker how text and person read and constructively use one another Scult succeeds in presenting how one can be a serious disciple of Heidegger and a serious Jew and that the former in many ways only enriches the latter Shaul Magid The Jewish Theological Seminary of America A compelling account of how being Jewish enacts the sort of concrete revealing relationship to a text and a world that makes meditation on being as Heidegger early and late understands it possible Only someone with Allen Scult's trained ear for the subtle interplay of rhetoric and hermeneutics could make us see the remarkable parallels between the Rabbis reading of the Torah and Heidegger's reading of Aristotle He makes a trenchant case for a reading of Heidegger not as prophet but as Rabbinic sage Daniel O Dahlstrom
