Innocents of War and other Stories Colin Richards, 2013-06-25 A varied collection of short stories of war, love, mystery, hatred and revenge written to appeal to a variety of tastes. English Mechanic and Mirror of Science, 1912 **Transit Journal**, 1914 *The Overlanding Vehicle Builder's Guide* Don Alexander, 2024-03-15 What is overlanding? Wikipedia states: Overlanding is self-reliant overland travel to remote destinations where the journey is the principal goal. Typically but not exclusively it is accomplished with mechanized off-road capable transport from bicycles to trucks where the principal form of lodging is camping. It often lasts for extended periods of time, months to years, and spans international boundaries. Overlanding did not originate in America and it is a little different here. You would be hard-pressed to find a bicycle out in the desert and most people don't stay out there quite that long. However, the spirit of the activity is the same. Do you want to give overlanding a try? Great! You will need some gear. In *The Overlanding Vehicle Builder's Guide*, veteran racer, off-roader and journalist Don Alexander provides a terrific overview of what to consider when building your overlanding rig. This includes the planned duration of the trip, the number of people in your party, how far off the beaten path you want to go, and the creature comforts you require. Understanding those wants and needs shapes what gear you need for the best experience. Covered are the strengths and weaknesses of the types of vehicles, themselves, modifications to the vehicles to make them more capable, accessories, lighting, camping gear, food and water storage etc, and equipment for trail mishaps and recovery. Driving techniques and trail rules and etiquette are also included. If you are ready to build a rig or just want to know more about the hobby, this book is a great guide to help you get started.

The London Underground Serial Killer Geoff Platt, 2015-04-30 The story is now thirty years old and most if not all of the characters involved were middle-aged men at the time and are now dead. The story did make the national press when it first occurred. A murder in a Police Station is big news and something to beat the Police with. However, when it was found that 12 people had been pushed under underground trains in London by a man that they did not know, the government felt that it might lead to mass hysteria and put a lid on the story with the press. The officers involved were a small select cadre of elite Flying Squad and Serious Crime Squad officers from South London, the same ones who had been dealing with the Krays, Richardson, Brinks, Mat etc. Their methods were unorthodox and recorded in the best-selling *Untouchables* book. They were several extreme and unusual and certainly unorthodox tactics. Officers kidnapped senior Home Office officials and detained them until the Old Bailey judge issued a summons and threatened a warrant in 5 minutes. At the committal, the judge, prosecution, defence and everybody had to step over the start witness and he vomited on the judge's shoes. Witnesses being murdered. Other witnesses being locked up in secret cells to protect them from being murdered. The Attorney General was satisfied that there was convincing evidence of all 16 murders that Kelly admitted. He was in prison for thirty years with only

one or two days between sentences and all the murders coincided with his absences from prison and before his next arrest. When protected by Police most had been witnessed. In 12 cases Kelly had presented himself to Police as a star witness who had been talking to the poor depressed man about his unfaithful wife when the train arrived at the station and he jumped underneath it. The widow eventually lost her husband her reputation when Kelly's story was told to the coroner and her insurance money when the death was ruled to be suicide. The A.G. authorised five murders to be charged and instructed that prosecutions were to be discontinued and the remaining charges left on file as soon as two convictions were secured as further prosecutions would not be in the public interest due to their expense.
