The Keeper Kelcey Ervick, 2022-10-04 From the New York Times Book Review Readers will certainly want to linger on the beautiful depictions of birds people and scenes from her life She weaves in historical context in graceful and necessary ways A beautifully illustrated coming of age graphic memoir chronicling how sports shaped one young girl s life and changed women s history forever Growing up playing on a top national soccer team in the 1980s Kelcey Ervick and her teammates didn t understand the change they represented Title IX was enacted in 1972 with little fanfare but to seismic effect between then and now girls participation in organized sports has exploded more than 1 000 percent Braiding together personal narrative pop culture literature and history Ervick tells the story of how her adolescence was shaped by this boom Ervick also explores her role as a goalkeeper a position marked by outsider status and observation and reveals it has drawn some of the most famed writers of our time With wit and poignant storytelling The Keeper brings to life forgotten figures who understood

the importance of athletics to help women step into their confidence and power and push for equality Full of 1980s nostalgia and heart *The Keeper* is a celebration of how far we have come and a reminder of how far we have to go *Women in Aviation and Space* Chris Buethe,1980 **Everyday Success, Grade 2** Thinking Kids,2015-02-02 Everyday Success R for second grade promotes learning in basic skills math and reading Activities address consonants and vowels nouns verbs adjectives reading comprehension ABC order addition subtraction multiplication fractions and measurement Take learning One Step Further To support independent thinking and discovery Everyday Success offers a continuation of each learning activity beyond the pages of the workbook Your child can actively apply what he or she is learning while having fun at the same time In addition each workbook contains a complete answer key to support your young learner **Dark Star** Matthew H. Hersch,2023-12-26 A captivating history of NASA s Space Transportation System the space shuttle chronicling the inevitable failures of a doomed design In *Dark Star* Matthew Hersch challenges the existing narrative of the most significant human space program of the last 50 years NASA s space shuttle He begins with the origins of the space shuttle a century long effort to develop a low cost reusable rocket powered airplane to militarize and commercialize space travel which Hersch explains was built the wrong way at the wrong time and for all the wrong reasons Describing the unique circumstances that led to the space shuttle s creation by President Richard Nixon s administration in 1972 and its subsequent flights from 1981 through 2011 Hersch illustrates how the space shuttle was doomed from the start While most historians have accepted the view that the space shuttle s fatal accidents including the 1986 Challenger explosion resulted from deficiencies in NASA s management culture that lulled engineers into a false confidence in the craft *Dark Star* reveals the widespread understanding that the shuttle was predestined for failure as a technology demonstrator The vehicle was intended only to give the United States the appearance of a viable human spaceflight program until funds became available to eliminate its obvious flaws Hersch s work seeks to answer the perilous questions of technological choice that confront every generation and it is a critical read for anyone interested in how we can create a better world through the things we build
