

The Giver
By Lois Lowry

Study Guide

Chapter 1

1. What is Dystopian literature?
<http://libraryschool.libguidescms.com/yadystopianlit>
2. Explain the relevance of Bicycles in this world including their use, rules, and meaning. Please return to this question and add to your answer as the bike turns up throughout the entire novel. How does this compare with our society?
3. P. 2- Regarding the pilot, "NEEDLESS TO SAY, HE WILL BE RELEASED." Why is the pilot "released"? What does this mean?
4. Define the following: Connotation and Denotation. Define frightened, eager, and apprehensive in your own words. How are they alike/different?
5. Think about apologies. When do we use them? What is their purpose? This society uses apology by rote. Do we? When and where might this happen? Are they then meaningless or meaningful? Explain.
6. Why do you suppose that these people don't know animals? There could be many reasons. Give several.
7. Why do you suppose that Jonas and his family routinely discuss their feelings every evening? What are your thoughts about this?
8. What do Jonas' parents do for a living? What do you suppose this demonstrates about their personalities? How would you characterize them? Does this tell you anything about their society?

Chapter 2

9. What makes December such a significant month? Explain what happens then.
10. Who is Gabe? How does Gabe show us more about the other characters in the novel?
11. What are comfort objects? What rules pertain to them? What is Lily's comfort object. Getting back to connotation and denotation, what does calling this a "comfort object" show about this society?

Chapter 3

12. Jonas and Gabe share an unusual physical trait. What is it? Why do you suppose that the author selected this in particular? What might this symbolize?
13. Why do you suppose that mirrors are unnecessary in this world? What is the author's purpose in adding this seemingly minor detail.
14. When Lily expresses an interest in becoming a birth mother for her Assignment, her mother scolds her and tells her that there is no honor in it. Yet, birth mothers "receive wonderful food, have very gentle exercise periods, and most of the time they just play games and amuse themselves." If they don't receive these things in veneration, why might society reward them then?

Chapter 4

15. Why are children volunteering at the "House of the Old"?
16. How do you feel that the old are treated in this society? Do they receive more or less respect than our own do? Support your answer with examples.
17. How does the "release" of Roberto compare with the release of the pilot, for example?
