The Secret Garden – General Directions and Contents

Let the students know that they're going to watch The Secret Garden. Based on the 1911 novel by Frances Hodgson Burnett, the movie is about a young girl named Mary Lennox, who after being sent back to England from India, goes to live on her Uncle Lord Craven's estate. It is a fairly isolated existence and she has to find things to keep herself occupied, which includes finding a secret garden.

PART 1 – Comprehension Questions in chronological order. I have made three sets for differentiation. The multiple choice questions have also worked well with my ESL students. Answer keys included.

- 45 questions requiring full sentence answers.
- 30 questions requiring full sentence answers (15 removed from the 45 question set)
- 30 multiple choice questions with 3 possible answers

PART 2 – Creativity (writing and design)

- Students to imagine they've stumbled upon a secret garden surrounded by walls. They then have to draw a plan of the garden and include the entrance, lots of flowers, trees, foliage, ornaments and anything else they think would look good in the garden. They need to label it too.
- Students to close their eyes and imagine they're opening the gate to their secret garden. They visualize walking around and write in detail everything they can see and hear in the space provided.
- Students to describe in detail what their three favorite parts in their garden look like and why they're so special. They also need to include a picture.

Marking idea for the comprehension questions

When the students have finished the questions, they swap their work with their friends to mark. We go through together as a class, taking it in turns to ask and answer questions. Students can also check grammar and spelling if more advanced, and then rechecked by the teacher.

Enjoy the activities and the movie!
