

# The Secret Life of Bees Dialectical Journal

The term "Dialectic" means "the art or practice of reasoning by the truth or logical consequences of opposing positions and claims." Some of your dialectical journals will be a series of conversations between yourself and the text as you explore each issue. The purpose is meant to help you develop a better understanding of the text as you read. The idea is that it is a better way to process and see the personal, private thoughts for what you think, and what feeling, thinking, or even identity makes you think.

## Procedure

- In each chapter of *Bees*, you will need to find a quote that relates to the themes you chose to track throughout the novel, and record these quotes in the left column.
  - Possible themes to use: bees, the black man (national), epiphany, the moon
- Then, you will need to answer the following questions about the quotes.
  - What is the context for each quote? What is happening in the novel when each quote is written?
  - What does the quote represent?
  - What theme or action does it tie to the quote?

Quote Page Number, Source	Analysis
<p>"The way these bees flew, not even looking for a flower, just flying for the joy of the moon, just my heart about to beam." (2)</p> <p>- (Elly Sings)</p>	<p>In this quote, Elly is flying in her mind according to bees fly around her home. In context, this seems to be a small moment for her. She clearly feels positively towards the bees since she enjoys according to them at night. The theme of freedom, the way that they are able to just fly around with no specific goal or purpose the novel, but their freedom also seems to cause her some kind of feeling the way of "just (be) happy." More this suggests that Elly herself does not feel as free as the bees are but that she wants to be free like them.</p>
