Power Communication Drawn Kwaast, 2012-10-22 This book is the culmination of street smarts, Neuro-Linguistic Programming, and evolutionary psychology combined with an overdose of testosterone. For thousands of years, the secrets within have been used by the world's most powerful men as they ignored the politically correct, embraced their primal instinct, and won battles through the obscene use of superior mental firepower. From the boardroom to the bedroom, these are the communication skills that will enable you to become the master of any domain, situation, or person. Inside You Will Discover Part 1: Linguistics Gateway to the human mind. Change your language and you change your thinking. As you master language, you take control of your unconscious thoughts. You will then discover the power to influence the unconscious thoughts of others without them ever being aware of it. Part 2: Paralinguistics Adding the power of emotion. Words lacking emotion are empty and powerless. When you fill words with emotion, you give them power. As your words become more powerful, you become more powerful. Part 3: The Art of Physical Space Attention and compliance from a

commanding presence Body language is a term used by those who will never possess more than a limited understanding of the concept A truly powerful man claims attention and compliance not only with his body but also through his masterful display of physical objects As you gain a full understanding of these concepts your influence will extend throughout your environment

Part 4 Eye Contact Exploiting the window of the soul Move beyond your fears and you find the willpower to look directly at people as you talk with them You will then discover the power to truly see them There will be no mask emotional wall or power of deception strong enough to cloud your vision You will instantly understand people at the deepest level as you gain hypnotic power over them

Part 5 Questions vs Statements Abandoning the unknown for the power of what is The masses being weak and confused search for answers by asking questions Leaders assume command by using statements to give the masses what they want You will learn how to know what others want without asking as they hand over power to the one person with all the answers you

Part 6 Limited Sensory Communication Extending your influence beyond your reach As you harness the power of technology to communicate beyond the barrier of distance you discover a unique set of obstacles Where the power of most men fades you will learn quite literally the art of remote control

Part 7 Humor The key to any lock In the hands of a master humor is one of communication's most devastating tools It has the power to dismantle defenses and turn combative people into instant allies You will discover that the only thing better than getting what you want is having people deliver it with a smile

Part 8 Congruency Use of the unstoppable force Most men are crippled by doubt and indifference Their conflicting thoughts and actions wastefully scatter their energy They are their own worst enemy As you claim control of your own mind you find focus and efficiency combined with a state of constant action Achievement of your goals is no longer a question of if but when The more congruent you are the faster it will happen
