Official Secrets Richard Breitman,2025-09-23 Richard Breitman's *Official Secrets* is an important work based on newly declassified archives. As defeat loomed over the Third Reich in 1945, its officials tried to destroy the physical and documentary evidence about the Nazis' monstrous crimes. About their murder of millions, Great Britain already had some of the evidence; however, for its intelligence services had for years been intercepting, decoding, and analyzing German police radio messages and SS ones too. Yet these important papers were sealed away as 'Most Secret - Never to Be Removed from This Office' and they have only now reappeared. Integrating this new evidence with other sources, Richard Breitman reconsiders how Germany's leaders brought about the Holocaust and when and reassesses Britain's and America's suppression of information about the Nazi killings. His absorbing account of the tensions between the two powers and the consequences of keeping this information secret for so long shows us the danger of continued government secrecy which serves none of us well and the failure to punish many known war criminals.

Dark Secrets Diane Nielsen,2014-05-15 Hannah Priest thought she'd found a safe haven when she opened her shop in Golden, Colorado. Having been born with the gift of seeing beyond the fragile shell humans presented to the world, she had left her sanity hanging in the balance as the horrors of man were revealed to her. Seeking only a life of peace, she suddenly finds herself with a bull's eye on her back and the Dark is doing the hunting. The Immortal Guardian Saul is called upon to save Hannah from the Dark, but he needs help. His search for a warrior to protect Hannah leads him to Jaxon Riley. Jaxon, trained in the arts of war and death, agrees to help. But from their first meeting, Jaxon and Hannah clash, leaving Jaxon wondering if he will do Hannah in before the Dark can. Roman, also needing a human's help, doesn't have to look very hard to find a dark soul to be his killer. With very little coaxing, Roman plants the lust for blood in his puppet before pointing him in the direction of Hannah. Death comes to call, no matter what Saul does. But whose shoulder will it tap and claim as its own?

BLACK SECRETS E W Farnsworth,2016-10-15 E W Farnsworth's stories, fictions deriving from his personal experiences, explore covert and clandestine operations that always lurk in the shadows. His spies, members of secret societies and government agencies, thrive on their invisible secret powers, menacing each other and occasionally inflicting their horrors on innocent ordinary people.

Open Secrets Richard Lischer,2002-07-16 *Open Secrets* is Richard Lischer's story of his early career as a Lutheran minister. Fresh out of divinity school and full of enthusiasm, Lischer found himself assigned to a small conservative church in an economically depressed town in southern Illinois. This was far from what this overly enthusiastic and optimistic young man expected. The town was bleak, poor, and clearly not a step on his path to a brilliant career. It's an awkward marriage at best: a young man with a Ph.D. in theology, full of ideas and ambitions, determined to improve his parish and bring them into the twenty-first century, and a community that is as tightly sealed as a jar of home-canned pickles. In their own way, they welcome him and his family, even though they think he's got bigger fish to fry. Thus begins Richard Lischer's first year as a pastor, bringing communion to the

sick but forgetting to bring the wafers marrying two unlikely couples a pregnant teenager and her boyfriend and two people who can't stop fighting Often he doesn't understand his congregation and sometimes they don't understand him for instance why does his wife hire a baby sitter and instead of leaving put on her bathing suit grab a stack of novels and hide from the kids Or why can't Pastor Lischer see how important it is for a woman with little money to buy an elaborate coffin to bury her husband in There are also the moments of grace when pastor and parishioner unite for a common goal when he asks for prayers for his infant son and can feel everyone in the congregation ministering to him when old hurts are put aside to help a desperate young woman finish college and raise her baby or when he helps save a woman from dying of a drug overdose In *Open Secrets* Lischer tells not only his own story but also the story of New Cana and all of its inhabitants lovable deeply flawed imperfect people that stick together With his sharp eye and keen wit Lischer perfectly captures the comedy of small town life with all of its feuds rumors scandals and friendships In the end he learns to appreciate not only the life New Cana has to offer but also the people who have accepted him at last as part of themselves
