The Secret Diary of Arnold Douwes Arnold Douwes,2019-08-29 A rare diary by the leader of an underground rescue network during the Holocaust that s a crucial source for the study of the Dutch resistance Ido de Haan coeditor of Securing Europe After Napoleon In the Netherlands the myth that resistance to Nazi occupation was high among all sectors of the population has retained a strong

hold and yet many Dutch Jews fell victim to deportation and annihilation in the camps of Eastern Europe How could a country that prided itself on its tolerance adherence to legal norms and democratic government have been the site of such an enormous tragedy Even while Nazi arrests of Jews were taking place Arnold Douwes a gardener and restless adventurer headed a clandestine network of resistance and rescue Douwes had spent time in the United States and France and was arrested several times by the police after his return to the Netherlands in 1940 Keenly aware that he was doing something important he started a diary in the summer of 1943 He hid some thirty five small notebooks in jam jars at safe houses in the vicinity of his base in Nieuwlande Drenthe After the war he dug the notebooks up and transcribed them adding several postwar sections with scrupulous notations Bob Moore has translated Douwes s diary into English for the first time and he and coeditor Johannes Houwink ten Cate have added a historical and contextual introduction annotations and a glossary for readers who may not be familiar with Dutch technical terms or places Organized chronologically and remaining largely as Douwes originally wrote it the diary sheds light on the successes and failures of this important Dutch rescue network

**The Secret History of the World and How to Get Out Alive** Laura Knight-Jadczyk,2005 Previously published as Ancient Science Secret History contains 150 pages of new material The Secret History of The World and How To Get Out Alive is the definitive book of the real answers where Truth is more fantastic than fiction Laura Knight Jadczyk wife of internationally known theoretical physicist Arkadiusz Jadczyk an expert in hyperdimensional physics draws on science and mysticism to pierce the veil of reality With sparkling humour and wisdom she picks up where Fulcanelli left off sharing over thirty years of research to reveal for the first time The Great Work and the esoteric Science of the Ancients in terms accessible to scholar and layperson alike Conspiracies have existed since the time of Cain and Abel Facts of history have been altered to support the illusion The question today is whether a sufficient number of people will see through the deceptions thus creating a counter force for positive change the gold of humanity during the

upcoming times of Macro Cosmic Quantum Shift Laura argues convincingly based on the revelations of the deepest of esoteric secrets that the present is a time of potential transition an extraordinary opportunity for individual and collective renewal a quantum shift of awareness and perception which could see the birth of true creativity in the fields of science art and spirituality The Secret History of the World allows us to redefine our interpretation of the universe history and culture and to thereby navigate a path through this darkness In this way Laura Knight Jadczyk shows us how we may extend the possibilities for all our different futures in literal terms With over 800 pages of fascinating reading The Secret History of The World and How to Get Out Alive is rapidly being acknowledged as a classic with profound implications for the destiny of the human race With painstakingly researched facts and figures the author overturns long held conventional ideas on religion philosophy Grail legends science and alchemy presenting a cohesive narrative pointing to the existence of an ancient techno spirituality of the Golden Age which included a mastery of space and time the Holy Grail the Philosopher s Stone the True Process of Ascension Laura provides the evidence for the advanced level of scientific and metaphysical wisdom possessed by the greatest of lost ancient civilizations a culture so advanced that none of the trappings of civilization as we know it were needed explaining why there is no evidence of civilization as we know it left to testify to its existence The author s consummate synthesis reveals the Message in a Bottle reserved for humanity including the Cosmology and Mysticism of mankind Before the Fall when as the ancient texts tell us man walked and talked with the gods Laura shows us that the upcoming shift is that point in the vast cosmological cycle when mankind or at least a portion of mankind has the opportunity to regain his standing as The Child of the King in the Golden Age If ever there was a book that can answer the questions of those who are seeking Truth in the spiritual wilderness of this world then surely The Secret History of the World and How to Get Out Alive is it

The weeding of the Covent-Garden, or The Middlesex-justice of peace, 1658. The new academy, or, The new exchange, 1658. The queen and concubine. 1659* Richard Brome,1873      [The Petticoat Commando, Or Boer Women in Secret Service](#) Johanna Brandt,2006-01-01 I have tried to give the public some idea of what was done by Boer women during the great Anglo Boer war to keep their men in the field and to support them in what proved to be a hopeless struggle for independence and liberty As far as I was able I have also described the perils and hardships connected with the Secret Service of the Boers and the heroism and resource displayed by the men Although it is with the knowledge and consent of the Boer leaders that I give publicity to what is known to me of the methods

employed in the Secret Service of the Boers I do not wish to convey the impression that these events of the war at any time bore an official character It is a purely personal narrative and has only been written at the repeated request during the last ten years of the many friends associated with the experiences of the diarist and of the principal characters appearing in this book In order to preserve the historical value of the book no fictitious names have been employed There are as far as we know very few records of this nature in existence owing to the dangers connected with keeping a diary under martial law and it seemed a pity therefore to withhold from the public materials which may be of use to those who are interested in studying or writing the history of those critical years I cannot vouch for the truth of every war rumour related here nor for the accuracy of the information which I have obtained from other people but the experiences of the diarist as they were recorded from day to day are correct in every detail My Dutch edition of this book *Die Kappie Kommando* is now appearing in the Dutch South African bi monthly journal *Die Brandwag* and will when completed be published in book form in Holland
