Cristian Wulf,2006-03-20 The benefits Carrefour achieved have been substantially in excess of predictions The Shared Service accounting centers enabled streamlined processes lowered costs and introduced standard processes a standard system and standard data for a global company The new infrastructure can support rapid expansion and can add new stores with the flip of a switch From a systems point of view Carrefour now has a factory in place to deliver high efficiency systems tools processes and training From Chapter 9 Implementation and Operational Imperatives for ERP The benefits of efficient information delivery are demonstrated by the results of one of the world s largest mySAP com implementations Siemens achieved a twenty five percent cost reduction through streamlined information delivery and improved access to financial information It also enhanced its reporting capabilities from seventy percent to nearly 100 percent through increased intranet availability From Chapter 3 Financial and Management Reporting Research shows that high performance businesses and governments use finance technology as one of the capabilities to help executives make better decisions for resource allocation while at the same time increasing productivity CFO Insights Enabling High Performance through Leading Practices for Finance ERP includes a number of case studies and lessons learned from Accenture clients across a variety of industries that have implemented upgraded and operated Oracle PeopleSoft and SAP Each case study highlights vital thoughts benefits and considerations and provides relevant guidance as one proceeds with an ERP on the journey toward high performance *Plunkett's Engineering & Research Industry Almanac 2006: The Only Complete Guide to the Business of Research, Development and Engineering* Jack W. Plunkett,2006-05 A complete guide to trends and leading companies in the Engineering and Research business fields design development and technology based research Includes market analysis R

D data and several statistical tables Nearly 400 in depth profiles of Engineering and Research firms [Oracle E-Business Suite Financials Handbook](#) David James, Graham Seibert, Simon Russell, 2001-11-27 Officially endorsed by Oracle Corporation this detailed resource from Oracle Press explains how to maximize the centralized planning accounting treasury purchasing and management features of Oracle Financials and revolutionize your company's finance infrastructure [The Complete Guide to Sales Force Incentive Compensation](#) Andris A. Zoltners, Prabhakant Sinha, Sally E. Lorimer, 2006 Designing an incentive plan to turn sales reps into sales superstars If you're like most sales leaders your incentive program is a constant challenge as you try to jumpstart sales energize a geographically dispersed and autonomous workforce and motivate salespeople to achieve ambitious revenue goals And sometimes it seems like you just don't know what works your products and markets are changing the incentive program that was so successful last year no longer produces the desired results or perhaps the generous incentive program you created has yielded a corps of highly paid salespeople who spend most of their time on existing clients and minimal time generating new business and threaten to walk away with your customer base if you scale back paychecks Incentive programs are seductively powerful but complicated instruments Without careful planning and implementation they can be too stingy to motivate too complex to understand too quick to reward mediocre results and too difficult to implement But a well designed and implemented incentive program is an essential tool for building a motivated highly effective sales force that delivers the results you need The Complete Guide to Sales Force Incentive Compensation is a practical accessible detailed roadmap to building a compensation system that gets it right by creating motivating incentives that produce positive outcomes Packed with hundreds of real life examples of what works and what doesn't this important guide helps you Understand the value of building an incentive plan that is aligned with your company's goals and culture Avoid the common trap of overusing incentives to solve too many sales management problems Measure the effectiveness of your current incentive program employing easy to use tools and metrics for pinpointing its weak spots Design a compensation plan that attracts and retains successful salespeople including guidelines for determining the correct pay level the best salary incentive mix the proper performance measures and the right performance payout relationship Select an incentive compensation plan that works for your organization then test the plan before it is launched Set territory level goals that are fair and realistic and avoid overpaying the sales force because goals are too easy or demoralizing salespeople by having goals that are too difficult or not fairly assigned Create and manage sales contests SPIFFs Special Performance Incentive for Field Force and recognition programs that consistently deliver the intended results Manage a successful transition to a new compensation plan and build efficient administration systems to support your plan Every year corporations spend 200 billion compensating their sales forces with extremely mixed results Make sure every dollar you spend is helping to achieve your goal of creating an empowered effective sales force that drives your company's success Packed with ready to use formulas and assessment tools and a wealth of insights from frontline sales managers and

executives The Complete Guide to Sales Force Incentive Compensation is your hands on easy to read playbook for crucially important decisions *Plunkett's Infotech Industry Almanac 2006: The Only Complete Guide to the Technologies and Companies Changing the Way the World Thinks, Works and Shar* Jack W.
