Raymond Chandler,2018-04-30 This is one of Chandler s most famous crime novels featuring the detective Philip Marlowe who s about to give up on a completely routine case when he finds himself in the wrong place at the right time to get caught up in a murder that leads to a ring of jewel thieves another murder a fortune teller a couple more murders and more corruption than your average graveyard We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **The Big Sleep** David Thomson,2020-10-15 The Big Sleep Marlowe and Vivian practising kissing General Sternwood shivering in a hothouse full of orchids a screenplay co written by Faulkner famously mysterious and difficult to solve Released in 1946 Howard Hawks adaptation of Raymond Chandler reunited Bogart and Bacall and gave them two of their most famous roles The mercurial but ever manipulative Hawks dredged humour and happiness out of film noir Give him a story about more murders than anyone can keep up with or explain David Thomson writes in his compelling study of the film and somehow he made a paradise When it was first shown to a military audience The Big Sleep was coldly received So as Thomson reveals Hawks shot extra scenes fun scenes to replace one in which the film s murders had been explained and in so doing left the plot unresolved Thomson argues that if this was accidental it also signalled a change in the nature of Hollywood cinema The Big Sleep inaugurates a post modern camp satirical view of movies being about other movies that extends to the New Wave and Pulp Fiction **The High Window** Raymond Chandler,2018-03-29 Philip Marlowe s client a dried up husk of a woman wants him to recover a rare gold coin called a Brasher Doubloon missing from her late husband s collection Easy Probably too easy Unfortunately each time the Doubloon pops up so does a murder That s unlucky for a private investigator because leaving a trail of corpses around LA gets cops noses out of joint If Marlowe doesn t wrap this one up fast he s going to end up in jail or worse in a box in the ground We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been

meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience

The High Window Raymond Chandler, 2020-07-14 The body count in this thriller starring Chandler's quintessential Private Eye Philip Marlowe is comparatively higher compared than some of his other works One could say the bodies fall one two three four as Marlowe tracks down a missing gold doubloon Who knew one piece of metal could lead to so much trouble As always Chandler's prose is on his own level however unpleasant Marlowe's cases may become What I find fascinating in Chandler's detective novels is the extraordinary contrast in terms of character development Trophy wives and strong armed husbands all undergo serious emotional upheaval death and unforgettable changes to their lives while our companion Phillip Marlowe ever the frank gruff shamus never has any of this himself While he may have guns pointed at him framed for murder or beaten up and tossed in the slammer The Long Goodbye Marlowe always goes back to his home to play chess drink gin and smoke a cigarette
