Rayna Book 1 The Norton Sisters Series:

The Norton Sisters E. L. R. Jones, 2013-12-30 *Bedwarmers* It's the name that Rayna chose to call the men that she shared her bed with when the need was too great. It was a safety measure. A person couldn't get their heart shredded if they allowed no one near it. Rayna Norton's sisters and mother were the only ones allowed in her heart. Life was great just the way it was. Her sisters seemed to feel differently. Christopher Leigh is the perfect man to combat and disrupt Rayna's way of thinking. He is a man with a creative mind and a determined heart. He sees Rayna at her sister's restaurant and immediately knows that he needs to have this woman in his life. The artist that he is sees the beauty of the woman she is and the gift of the future they could have. He just has to convince the ever-reluctant attorney that a life shared with him will be one worth her time. Rayna's issues run deeper than Chris and her sisters could ever perceive. Her chosen way of life has more to it than meets the eye. Will Chris be able to get Rayna to see that he is not like the men of her past? Will Rayna lose out on possibly the perfect man for her because of her own stubbornness? Or will her sisters intervene on her behalf yet again? *The Norton Sisters* is a series about six sisters that share the same last name but are six entirely different women. The stories of the six, almost 30 to in their thirties, women will touch your heart and make you laugh out loud. The sisters, by age ranking: Zoie, Wynter, Rayna, Nyema, Lynnina, and Chyra, are there for each other always. It follows the lives of six sisters running their own businesses, falling in love, and dealing with the trials that come. They follow their own little Norton Code. In the end, family means everything, and your sisters hold you up. No matter what may come. **HOT ELABORATE DETAILED SEXUAL SCENES ARE IN THIS BOOK READ AT YOUR OWN RISK** Warning: Readers say scenes in this book made them feel dirty. The Norton Sisters Series, Books 1-3. 5 E. L. R. Jones, 2014-12-29 *A Secret for Christmas* Book 3.5 Chyra is the youngest Norton sister and wears that title like a badge of honor. She has returned to her family, but no one has any idea of what she did while she was away from her family for five years. Christmas dinner with the Nortons is going to be very interesting as secrets begin to be revealed. Zach is at the root of her secret and holder of the heart she fears sharing. What is it that is going to outshine the star on top of the tree? Nyema Book 3 Nyema is the psychologist and single mother of the family. She's helped so many deal with their own problems while harboring some of her own. James has been dealt a devastating blow that he never would have expected. Are these two able to get over their individual issues to open their hearts to love one another? Zoie Book 2 Zoie is owner of her own day care center and is the eldest of her siblings. She has always wanted to be a mother. Tired of waiting for the right guy to come along, she's decided to take matters into her own hands. Victor has been admiring Zoie from afar for a while and has determined that he is finally going to do something about it. Will her desire to have a child destroy her chances at a loving relationship? Rayna Book 1 Rayna is a no-nonsense lawyer and the one sister that states she has no need of a man beyond the title that she's given them: bedwarmers. She is content with her life. Her sisters are not. Chris meets Rayna and sees a woman that he must have in his life. Will her stubbornness prevent her from opening up to a man?

Technicolor Tom Zimmerman, 2022-07-26 Best known for her appearances in the six Technicolor Neverland movies Maria Montez is a film icon Growing up as one of ten children in the Dominican Republic her rise as a film star in the United States seemed unlikely In 1939 Montez set off on her own to New York City to fulfill her aspirations of movie stardom Despite having no substantial acting experience Montez managed to sign with major agent Louis Schurr who helped her secure a contract with Universal Studios before she moved out to Hollywood Following her arrival in Los Angeles Montez began cultivating the larger than life persona for which she is known Her beauty personality and series of publicity antics including dramatic restaurant entrances endeared her to the press She even created her own fan club The Montez for Stardom Club Her ambitious self promotion bolstered the success she found with her first big lead in Arabian Nights released in 1943 From then on the studio referred to her as The Queen of Technicolor Author Tom Zimmerman puts Montez's life in historical context including her role as a cultural icon and a living representation of the United States Good Neighbor Policy with Latin American countries With her thick Dominican accent Montez struggled to make herself intelligible to an American audience However unlike some of her Latin contemporaries she did not present a caricature of her culture or use her accent for comedic purposes giving her credibility with a Latin American audience Zimmerman skillfully recounts the story of Montez's fiery ambition and her ascent to Hollywood fame giving her the opportunity to live on in public memory *Through the Eyes of a Child* Donna E. commercially successful motion pictures of all time Its success was due in no small measure to the beauty of the Pandora landscape and the dramatic heart wrenching plight of its nature venerating inhabitants To some audience members the film was inspirational leading them to express affinity with the film s message of ecological interdependence and animistic spirituality Some were moved to support the efforts of indigenous peoples who were metaphorically and sympathetically depicted in the film to protect their cultures and environments To others the film was politically ethically or spiritually dangerous Indeed the global reception to the film was intense contested and often confusing To illuminate the film and its reception this book draws on an interdisciplinary team of scholars experts in indigenous traditions religious studies anthropology literature and film and post colonial studies Readers will learn about the cultural and religious trends that gave rise to the film and the reasons these trends are feared resisted and criticized enabling them to wrestle with their own views not only about the film but about the controversy surrounding it Like the film itself Avatar and Nature Spirituality provides an opportunity for considering afresh the ongoing struggle to determine how we should live on our home planet and what sorts of political economic and spiritual values and practices would best guide us
