Groton,2016-07-22 Excerpt from The Sunday School Teacher s Manual Designed as an Aid to Teachers in Preparing Sunday School Lessons IT is hoped that this Manual will meet the needs of the Sunday school teacher Its purpose is not only to furnish instruction in approved methods of preparing and teaching the lesson but also to impart the information concerning the Scriptures and the Church which often lies beyond his immediate reach The various articles contained in it have been reduced to as small a compass as the usefulness of the book will permit and it can readily be seen that it was no easy task to bring within the stipulated limits many of the subjects treated Further each author is responsible only for the matter contained in his own production The books of reference have been carefully selected from a large number of valuable treatises and as a rule placed in the order of their helpfulness The studious teacher will find these books useful in giving him that knowledge which the requirement of brevity necessarily excluded from the Manual itself About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
