In *Connecting Ethics and Practice: A Lawyer's Guide to Professional Responsibility* Third Edition, the author explains the legal professional and ethical constraints that regulate attorneys while keeping the modern law professor and student in mind. Contemporary cases and articles are used to provide for an easier understanding of the Model Rules and Judicial Canons, which assists in preparing for law school exams and the MPRE. The author employs a user-friendly coursebook format organized in a logical manner while achieving a realistic and manageable length. Mind maps are provided with every chapter to help students visualize and remember selected rules, and discussion questions are used to allow the students to fully comprehend and digest the reading while also demonstrating real-life struggles most lawyers face at some point in their careers. Based on the unique format, students systematically cover all important aspects of the legal journey from law school to the legal profession.

New to the Third Edition: Revised chapters contain contemporary cases, discussions, and studies. Updated Model Rule 7 Advertising Scholarship throughout the book in Chs 1, 4, 10, 12, and 14 has been updated to include more recent and engaging articles. New cases: Ch 7 *Federico v. Lincoln Military Housing LLC*; Ch 10 *In re Discipline of Hale*; Ch 11 *People v. Maynard*; Ch 12 *Bennett v. Hill*; *Boren P.C. Benefits* for instructors and students.

The easy-to-follow logical sequence of all relevant rules are clearly articulated at the beginning of the book and then reiterated accordingly in every chapter. The structured material is well suited for a new or experienced professor. Chapters are based on quality readings as opposed to quantity. Engaging, realistic examples exhibit how each Rule relates to practice. Simple, consistent organization of each chapter offers a clear and logical layout allowing for ease of use and teaching throughout. Chapter introductions begin with concise explanations of the applicable Rules to be discussed. Readings are controversial, contemporary, and thought-provoking. Flexible organization allows for the material to be adapted to meet the individual needs of each class; professors can use as much or as little guidance as needed, and the material can be adjusted for a 2 or 3 credit course. Discussion questions at the end of each reading as well as at the end of each chapter encourage colorful and lively dialogue and participation, which can be used in detail if time permits or just used for student understanding of the material for class preparation. Table of Model Rules with applicable page numbers provides easy reference.
