Reading Henry James in the Twenty-First Century Dennis Tredy, Annick Duperray, Adrian Harding, 2019-06-04 To commemorate the recent centennial of Henry James's death and to help readers understand the depth and scope of the author's influence both today and during the previous century thirty leading Jamesian scholars from

twelve different countries and five continents were asked to explore ways in which the notions of heritage and transmission currently come into play when reading James. The resulting chapters of this volume are divided into three main sections each focusing on different ways in which James's legacy is being re-evaluated today from his influence on key authors, playwrights and film makers over the past century. Part One to new discoveries regarding European authors and artists who influenced James. Part Two to recent approaches more radically re-evaluating James for the twenty-first century including contemporary poetics, political and sociological dimensions, cognitive science and queer studies. Part Three. This collection will be of great interest to scholars and general readers of James and is a useful guide to tracing the writer's ever elusive figure in the carpet and understanding the power of his continued impact today.

The South Korean Film Renaissance Jinhee

Choi, 2011-07-21 For the past decade the Korean film industry has enjoyed a renaissance. With innovative storytelling and visceral effects, Korean films not only have been commercially viable in the domestic and regional markets but also have appealed to cinephiles everywhere on the international festival circuit. This book provides both an industrial and an aesthetic account of how the Korean film industry managed to turn an economic crisis triggered in part by globalizing processes in the world film industry into a fiscal and cultural boom. Jinhee Choi examines the ways in which Korean film production companies, backed by affluent corporations and venture capitalists, concocted a variety of winning production trends. Through close analyses of key films, Choi demonstrates how contemporary Korean cinema portrays issues immediate to its own Korean audiences while incorporating the transnational aesthetics of Hollywood and other national cinemas such as Hong Kong and Japan. Appendices include data on box office rankings, numbers of films produced and released, market shares and film festival showings.
