Means of Control Byron Tau, 2024-02-27 You are being surveilled right now This startling expos *The Economist* reveals how the U S government allied with data brokers tech companies and advertisers to monitor us through the phones we carry and the devices in our home A revealing startling timely fascinating sometimes terrifying examination of the decline of privacy in the digital age Kirkus Reviews SHORTLISTED FOR THE

SABEW BEST IN BUSINESS AWARD That evening I was given a glimpse inside a hidden world An entirely new kind of surveillance program one designed to track everyone For the past five years ever since a chance encounter at a dinner party journalist Byron Tau has been piecing together a secret story how the whole of the internet and every digital device in the world became a mechanism of intelligence surveillance and monitoring Of course our modern world is awash in surveillance Most of us are dimly aware of this Ever get the sense that an ad is following you around the internet But the true potential of our phones computers homes credit cards and even the tires underneath our cars to reveal our habits and behavior would astonish most citizens All of this surveillance has produced an extraordinary amount of valuable data about every one of us That data is for sale and the biggest customer is the U S government In the years after 9 11 the U S government working with scores of anonymous companies many scattered across bland Northern Virginia suburbs built a foreign and domestic surveillance apparatus of breathtaking scope one that can peer into the lives of nearly everyone on the planet This cottage industry of data brokers and government bureaucrats has one directive get everything you can and the result is a surreal world in which defense contractors have marketing subsidiaries and marketing companies have defense contractor subsidiaries And the public knows virtually nothing about it Sobering and revelatory Means of Control is the defining story of our dangerous grand bargain ubiquitous cheap technology but at what price *Captain America and the American Journey, 1940-2022* Richard A. Hall, 2024-02-16 Captain America made his debut in 1940 just two years behind the first comic book superheroes and five years before the United States emergence as the world's primary superpower at the end of World War II His journey has been intertwined with America's progress throughout the decades Known as the Sentinel of Liberty he has frequently provided socio political commentary on current events as well as inspiration and warnings concerning the future This work explores the interconnected histories of the United States and Captain America decade by decade from the character's origins to Chris Evans portrayal of him in the Marvel Cinematic Universe It examines how Captain America's story provides a guide through America's tenure as a global superpower holds a mirror up to American society and acts as a constant reminder of what America can and should be *Autocar*, 2001-11 **Harpers Weekly**, 1865 New Statesman, 1996 **Tribune for Victory and Socialism**, 2008 **Congressional Record** United States.
