Walker,2017-10-24 Using a sample collected from Ashley Madison this book is the result of a yearlong inquiry into women s extramarital experiences Ultimately these women reject the binary proposition of marriage that assumes that either we work on our marriages and remain monogamous within them or we break up the relationship and take up other relationships These women conceive of an alternate solution to a marriage that is not wholly working where their own needs are ignored unmet and not prioritized Thus the women in this study are engaging in secret defiance of the expectations of marriage and primary partnerships This book gives voice to women s experiences and perceptions regarding their participation in infidelity and glimpses into the interworkings of our most intimate relationships and the ways women negotiate marriages that fall short of their expectations

**The Secret Life of a Preacher's Wife** Shirley,2012-07 My sincere hope is that every person in an abusive relationship will get out and that the abuser will be changed by realizing the pain and suffering they cause When I prayed that God would allow me to marry a preacher somewhere in my mind I thought it would guarantee me a life of love peace and happiness Nothing was further from the truth After all preachers are men too clothed in nice suits shoes and fancy robes All my life I had been around marriages that should have ended years ago I wanted to be different I wanted to help people change I wanted to see men love and cherish their wives We all know for the most part at least on the surface that preachers wives seem to be more than happy Some wear the designer suits and hats with fancy matching shoes On occasion I did too However I soon found out at least in my life it was all superficial I was all smiles and encouraging words outside the door but most days behind closed doors my life was a living hell Three months into my marriage I began living in a nightmare I told myself I would never tell anyone I would help the world believe we had the

ideal marriage Even before the I do s I knew there were some problems Before long Shirley became a preacher s wife with a secret life and everything in her told her that she s not the only one
