Dear {Sir or Madam},

I am writing for my {your relation} {Name}, whom I have known from {his/her} childhood.

I have been a {nature of relationship} to {name} since {he/she} {took classes at my school, joined the organization of which I am president, childhood.} I have worked and spent quality time with many people over the years. Still, few have had the kindness, patience, and determination that {Name} does. Once, {he/she} {memory/anecdote that illustrates the person's best qualities.} There are very few people who would respond to that kind of stressful situation with such levelheadedness and grace.

While I wish that {Name} could stay with us here in {country of origin,} forever, {he/she} has important and urgent business in America that I hope you will strongly consider while making your decision. {He/she} has chosen to move because {his/her parents are ill there, he/she got an important scholarship, his/her spouse got a job there and left behind him/her and their children, etc.}

I know that {Name} will bring the qualities of talent, dedication, and hard work to your country, and contribute to the wealth of your great nation's multicultural melting pot.

Sincerely,

Incarcerated Stories Shannon Speed, 2019-08-27 Indigenous women migrants from Central America and Mexico face harrowing experiences of violence before, during, and after their migration to the United States, like all asylum seekers. But as Shannon Speed argues, the circumstances for Indigenous women are especially devastating given their disproportionate vulnerability to neoliberal economic and political policies and practices in Latin America and the United States, including policing, detention, and human trafficking. Speed dubs this vulnerability neoliberal multicriminalism and identifies its relation to settler structures of Indigenous dispossession and elimination. Using innovative ethnographic practices to record and recount stories from Indigenous women in U.S. detention, Speed demonstrates that these women's vulnerability to individual and state violence is not rooted in a failure to exercise agency. Rather, it is a structural condition created and reinforced by settler colonialism, which consistently deploys racial and gender ideologies to manage the ongoing business of occupation and capitalist exploitation. With sensitive narration and sophisticated analysis, this book reveals the human consequences of state policy and practices throughout the Americas and adds vital new context for understanding the circumstances of migrants seeking asylum in the United States. **A Practitioner's Guide to Supporting Graduate and Professional Students** Valerie A.
