CONCEPTS History of Income Tax The tax was introduced for the first time in India in 1860 by Sir James Wilson in order to cover up losses sustained by the government due to mutiny of 1857 There were many amendments from time to time at last a separate Income Tax Act was passed in 1886 This Income Tax Act was replaced by Income Tax Act 1918 which was further replaced by Income Tax Act 1922 Income Tax Act of 1922 was subject to many amendments over a period of time due to which it became very complicated Therefore in order to simplify and to plug loopholes the government of India referred the matter to law commission in 1956 which submitted its report in September 1958 But in the meantime the government of India constituted Direct Tax Inquiry Committee which submitted its report in 1959 Finally in consultation with ministry of law the Income Tax Act 1961 was enacted which applied to whole of India Income Tax Act 1961 has also been subject to many amendments over a period of time either through Finance Act as passed by the Parliament every year or by separate
