nation's mythological narrative providing necessary context on white privilege which he calls white advantage and offers concrete pathways to lasting societal change Holding readers gently to account Black White is the book for the ally in all of us

Geller, Julia Leyda, 2022-02-07 For three decades award winning independent filmmaker Todd Haynes who emerged in the early 1990s as a foundational figure in New Queer Cinema has gained critical recognition for his outsider perspective Today Haynes is widely known for bringing women's stories to the screen Analyzing Haynes's films including Safe 1995 Velvet Goldmine 1998 Far from Heaven 2002 and Carol 2015 as well as his unauthorized Karen Carpenter biopic Superstar 1987 and the television miniseries Mildred Pierce 2011 the contributors to Reframing Todd Haynes reassess his work in light of his long standing feminist commitments and his exceptional career as a director of women's films They present multiple perspectives on Haynes's film and television work and on his role as an artist activist who draws on academic theorizations of gender and cinema The volume illustrates

the influence of feminist theory on Haynes's aesthetic vision most evident in his persistent interest in the political and formal possibilities afforded by the genre of the woman's film. The contributors contend that no consideration of Haynes's work can afford to ignore the crucial place of feminism within it. Contributors: Danielle Bouchard, Nick Davis, Jigna Desai, Mary R. Desjardins, Patrick Flanery, Theresa L. Geller, Rebecca M. Gordon, Jess Issacharoff, Lynne Joyrich, Bridget Kies, Julia Leyda, David E. Maynard, Noah A. Tsika, Patricia White, Sharon Willis. Short Stories of the Civil Rights Movement, Margaret Earley Whitt, 2006. During the civil rights era, masses of people marched in the streets, boycotted stores, and registered to vote. Others challenged racism in ways more solitary but no less life-changing. These twenty-three stories give a voice to the nameless ordinary citizens without whom the movement would have failed. From bloody melees at public lunch counters to anxious musings at the family dinner table, the diverse experiences depicted in this anthology make the civil rights movement as real and immediate as the best histories and memoirs. Each story focuses on a particular, sometimes private moment in the historic struggle for social justice in America. Events have a permanent effect on characters like the white girl in *Spring Is Now* who must sort through her feelings about the only black boy in her school or the black preacher in *The Convert* who tells a friend, "This thing of being a man, the Supreme Court can't make you a man. The NAACP can't do it. God Almighty can do a lot, but even He can't do it. Ain't nobody can do it but you." If a character survives and some do not, the event can become a turning point, a vision for a better world. The sections into which the stories are grouped parallel the news headlines of the day: School Desegregation 1954 on, Sit-ins 1960 on, Marches and Demonstrations 1963 on, and Acts of Violence. In the last section, Retrospective, characters look back on their personal involvement with the movement. Twenty writers, eleven black and nine white, are represented in the collection. Ten stories were written during the 1960s; that the others were written long after the movement's heyday suggests the potency of that time as a continuing source of creative inspiration.
