Written by literary experts who currently teach the subject, MAXnotes will enhance your understanding and enjoyment of the work. MAXnotes are designed to stimulate independent thought about the literary work by raising various issues and thought-provoking ideas and questions. MAXnotes cover the essentials of what one should know about each work, including an overall summary, character lists, an explanation and discussion of the plot, the work's historical context, illustrations to convey the mood of the work, and a biography of the author. Each chapter is individually summarized and analyzed and has study questions and answers.

CliffsNotes on Conrad's Heart of Darkness & The Secret Sharer Daniel Moran, 2000-07-01 The original CliffsNotes study guides offer expert commentary on major themes, plots, characters, literary devices, and historical background. The latest generation of titles in this series also feature glossaries and visual elements that complement the classic familiar format. In *CliffsNotes on The Heart of Darkness* and *The Secret Sharer*, you come to understand how each of these stories deals with the dark side of the human character. *Heart of Darkness* is a journey up the Congo River to where an ivory agent Kurtz has succumbed to human weakness and evil and has disintegrated into a grotesque creature. *The Secret Sharer* is an allegorical examination of a timid man who struggles to stifle the more physical and dangerous part of himself. Eventually, he resolves this duality and becomes more daring and therefore more complete. This concise supplement to Joseph Conrad's *The Heart of Darkness* and *The Secret Sharer* helps you understand the overall structure of the novels, actions, and motivations of the characters, and the social and cultural perspectives of the author. Features that help you study include Part-by-part summaries and commentaries, character maps that graphically illustrate the relationships among the characters, critical essays that provide expert insight on the novels' structure, review sections that test your knowledge, classic literature or modern-day treasure you'll understand it all with expert information and insight from CliffsNotes study guides.

Teaching Modernist Anglophone Literature, 2018-08-13 *Teaching Modernist Anglophone Literature* features fresh classroom approaches to teaching modernism with an emphasis on pedagogy grounded in educational theory and contemporary digital media tools. It offers techniques for improving students' close reading, critical thinking, writing, and engagement with issues of gender, race, class, and social justice. Discussions are raised of subjectivity, perception, the nature of language, and the function of art. Innovative project ideas, assignments, and examples of student work are offered in a special annex. This volume fills a gap in higher education pedagogy uniquely suited to the experimental nature of modernism. Madden and McKenzie's inspiring volume can steer the teaching of modernist literature in creative new directions that benefit both teachers and students. The Dark Continent? Frits Andersen,2015-12-31 Africa a forgotten continent that evades all attempts at control and transcends reason Or does it This book describes Europe s image of Africa and relates how the conception of the Dark Continent has been fabricated in European culture with the Congo as an analytical focal point It also demonstrates that the myth was more than a creation of colonial propaganda the Congo reform movement the first international human rights movement spread horror stories that still have repercussions today The book cross examines a number of witness testimonies reports and novels from Stanley s travelogues and Conrad s Heart of Darkness to Herge s Tintin and Burroughs Tarzan as well as recent Danish and international Congo literature The Dark Continent proposes that the West s attitudes to Africa regarding free trade emergency aid and intervention are founded on the literary historical assumptions of stories and narrative forms that have evolved since 1870 The Sunday School Teacher's Guide.
