Assessing Teachers for Professional Certification Lawrence Ingvarson, John Hattie, 2008-02-04 The National Board for Professional Teaching Standards NBPTS in the USA is the most ambitious and successful attempt by any country to establish a certification system for recognizing and rewarding teachers who reach high professional standards This book focuses on The National Board for Professional Teaching Standards NBPTS The BEST Experience Implementation Guide: Teacher Induction and Mentoring , **Assessing Teacher Competency** Judy R. Wilkerson, William Steve Lang, 2007-04-13 Presents a five step model for measuring teacher competence that helps teacher educators and school administrators prepare accurate and reliable evaluations and accountability reports This title provides guidance for the complete assessment process It is intended for preservice and inservice faculty administrators and supervisors Assessing Teacher Performance Sharon Castle, Beverly D. Shaklee, 2006 What does performance based assessment in teacher education mean How can colleges and schools of education bring together faculty across programs and within programs to develop and implement a performance based assessment program for their candidates This volume is designed to share elements of effective performance based assessments examine the issues related to credibility of the evidence from performance based assessments and provide practical examples of works in progress from initial licensure through advanced degree programs in teacher education

An Interview Protocol and Scoring Rubric for Evaluating Teacher Performance Claudia P. Flowers, 2003 The Work of Mathematics Teacher Educators Kathleen Lynch-Davis, Robin L. Rider, 2015-10-01 Originally published in 2004 A major focus of teacher education is the development of preservice teachers However it should not be the only focus of those who work in teacher education Educating inservice teachers is equally important and the conversation among those involved in mathematics teacher education needs to include discussion of this group as well This conversation also highlights a need for professional development for teacher educators and research on the development of teacher educators This monograph discusses issues in educating all of these groups of individuals in an effort to continue the conversation among those involved in mathematics teacher education Interpreting Standardized Test Scores Craig A. Mertler, 2007-04-13 Interpreting Standardized Test Scores Strategies for Data Driven Instructional Decision Making is designed to help K 12 teachers and administrators understand the nature of standardized tests and in particular the scores that result from them This useful manual helps teachers develop the skills necessary to incorporate these test scores into various types of instructional decision making a process known as data driven decision making necessitated by the needs of their students **The Teacher Quality Index** James H. Stronge, Jennifer L. Hindman, 2006 We know that teachers make a profound difference in the lives of students and are the single most important school related influence on student achievement When it comes to teacher selection district and building level administrators are challenged to predict what kind of teacher a candidate will be based on information collected through an application and one or two interviews In this book James H Stronge and Jennifer L

Hindman explain how to take the guesswork out of hiring decisions Their Teacher Quality Index TQI is a structured research based interview protocol built on the quality indicators explored in Stronge s best selling Qualities of Effective Teachers Here educators with hiring responsibilities will find interview questions that reveal what they most need to know about teacher candidates and question specific descriptive rubrics that support consistent evaluation of candidates responses The Teacher Quality Index is the easiest most reliable way to see that new hires possess both the personal qualities essential to effective teachers and the requisite proficiencies in classroom management instructional planning and delivery and the monitoring of student progress and potential An accompanying CD ROM provides forms and scoring rubrics for both screening interviews and building based interviews The question sets are presented in multiple configurations variations for experienced and novice teachers as well as interviewer s choice formats which allow for additional customization Protocol guidelines succinct discussions of underlying research and response rating exercises ensure readers will come away with the rationale know how and tools to implement this teacher selection process and ultimately increase the overall effectiveness of their teaching staff
