Shakespeare Performance Studies W. B. Worthen, 2014-06-26 Taking a performance studies perspective on Shakespearean theatre W B Worthen argues that the theatrical event represents less an inquiry into the presumed meanings of the text than an effort to frame performance as a vehicle of cultural critique Using contemporary performances as test cases Worthen explores the interfaces between the origins of Shakespeare's writing as literature and as theatre the modes of engagement with Shakespeare's plays for readers and spectators and the function of changing performance technologies on our knowledge of Shakespeare This book not only provides the material for performance analysis but places important contemporary Shakespeare productions in dialogue with three influential areas of critical discourse texts and authorship the function of character in cognitive theatre studies and the representation of theatre and performing in the digital humanities This book will be vital reading for scholars and advanced students of Shakespeare and of performance studies

Bringing the English Curriculum to Life David Didau, 2024-04-12 Bringing the English Curriculum to Life builds on David Didau's groundbreaking book Making Meaning in English by showing how the principles of the original book can be applied in schools and classrooms Drawing together experiences of designing teaching supporting and assessing English across the schools within Ormiston Academies Trust OAT this book demonstrates what an ambitious coherently sequenced broad and balanced English curriculum with successful adaption for students with SEND can look like in practice Designed around the explicit teaching of the powerful conceptual knowledge students need to master the discipline the book offers a fully resourced English curriculum packed with teaching suggestions and examples of high quality practice Covering intent implementation and assessment and outlining in detail what is included in each module for KS3 and 4 the curriculum can be adopted in its entirety but is also flexible enough for departments to take modules and slot them into their own curriculum Providing an inspiring model for teaching English that enables all students to succeed this is an essential resource for all English teachers and school leaders responsible for curriculum development
