Building a Firm Foundation Marylynn D. Wesson, D.Min.,2023-03-17 Parents are the primary educators of their children as stated in the Catechism of the Catholic Church

Para 1653 Moreover the Second Vatican Council document *Lumen Gentium* identifies parents as the first heralds of the faith to their children Unfortunately many parents today are ill equipped to take on this role because they haven't been fully evangelized in the Christian Faith Building a Firm Foundation is an eight week evangelization and formation program for parents and guardians whose children are preparing for their first sacraments This foundational program starts at the very beginning with the kerygma the initial Gospel proclamation that introduces each of us to Christ Rather than focusing on Catholic doctrine the program's goal is to stoke a desire to grow together in faith in an intentional way as a family by awakening parents to the importance of a relationship with Jesus and his Church Once evangelized only then will parents be more receptive to the catechesis that will nourish and deepen the faith of their entire family Building a Firm Foundation will awaken in parents the capacity for an active relational faith and equip them as they in partnership with their children's catechists help their children prepare for their sacraments Young Investigators Judy Harris Helm, Lilian G.

School and the Magic of Children Greg Bottrill, 2020-02-24 In this book I share with you an alternative to the school of today A way of creating the conditions for you to go on an adventure with children Education should not be a predetermined journey with map already drawn with no ability to leave the path or pause It should be a co adventure This co adventure can only take place when we take the first step into the unknown This can feel daunting and can open us up to questions and uncertainty However once we do take that first step an adventure lies ahead like no other an adventure so magical that it can and will change everything And the reason that this adventure is so special is that it will take you into the very soul of children and of yourself In these pages I offer you an invitation It comes from my head and heart to speak to yours It is not didactic It is a way to create the conditions for the magic of children to thrive Greg **Public Charities** Great Britain.
