Teaching English to Young Learners Janice Bland, 2015-09-24 Aimed at student teachers, educators and practitioners, *Teaching English Language to Young Learners* outlines and explains the crucial issues, themes and scenarios relating to this area of teaching. Each chapter by a leading international scholar offers a thorough introduction to a central theme of English as a foreign language (EFL) with preteens, with clear presentation of the theoretical background and detailed references for further reading, providing access to the most recent scholarship. Exploring the essential issues critically and in depth, including the disadvantages as well as advantages of Teaching English as a Foreign Language (TEFL) with young learners, topics include task-based learning in the primary school, storytelling, drama, technology, vocabulary development, intercultural understanding, Content and Language Integrated Learning (CLIL), scenarios, assessment. Innovative and rapidly emerging topics are covered such as immersion teaching, picturebooks in the EFL classroom and English with pre-primary children.

**English in Inclusive Multilingual Preschools** Kirsten Birsak de Jersey, 2021-05-31 The study addresses the question of how preschool teachers who work in regular state inclusive preschools can be qualified to teach English as a foreign language. Through the longitudinal case study, which followed the principles of participatory action research, substantial insights were gained which can be transferred to other pre-primary contexts.

Handbook of Second Language Assessment Dina Tsagari, Jayanti Banerjee, 2016-03-07 Second language assessment is ubiquitous. It has found its way from education into questions about access to professions and migration. This volume focuses on the main debates and research advances in second language assessment in the last fifty years or so, showing the influence of linguistics, politics, philosophy, psychology, sociology and psychometrics. There are four parts which, when taken together, address the principles and practices of second language assessment while considering its impact on society. Read separately, each part addresses a different aspect of the field. Part I deals with the conceptual foundations of second language assessment with chapters on the purposes of assessment and standards and frameworks as well as matters of scoring, quality assurance and test validation. Part II addresses the theory and practice of assessing

different second language skills including aspects like intercultural competence and fluency Part III examines the challenges and opportunities of second language assessment in a range of contexts In addition to chapters on second language assessment on a national scale there are chapters on learning oriented assessment as well as the uses of second language assessment in the workplace and for migration Part IV examines a selection of important issues in the field that deserve attention These include the alignment of language examinations to external frameworks the increasing use of technology to both deliver and score second language tests the responsibilities associated with assessing test takers with special needs the concept of voice in second language assessment and assessment literacy for teachers and other test and score users
