Quality Improvement for Nurse Managers Cynthia Barnard,Barbara J. Hannon,2010 This book and CD ROM clearly outline a nurse leader s role in quality improvement and offer simple instructions to improve patient outcomes through nurse education and engagement In an easy to understand format this guide explains how to engage staff how to choose measure and benchmark nursing quality data and how to use QI projects to achieve positive results *The Ledger* David Kilcullen,Greg Mills,2022-01-15 These things happened They were glorious and they changed the world said Charlie Wilson of America s role backing the anti Soviet mujahideen And then we fucked up the endgame With no support for Afghanistan after that war the vacuum was filled by the Taliban and bin Laden The Ledger assesses the West s similarly failed approach to Afghanistan after 9 11 in military diplomatic political and developmental terms Dr David Kilcullen and Dr Greg Mills are uniquely placed to reflect backwards and forwards on the Afghan conflict they worked with the international mission both as advisers and within the Arg and they have considerable experience of counterinsurgency and stabilization operations elsewhere in the world Here these two experts show that there is plenty of blame to go around when explaining the failure to bring peace to Afghanistan after 9 11 The signs of collapse were conveniently ignored in favor of political narratives of progress and success Yet for Afghans the war and its geopolitical effects are not over because NATO is gone Afghanistan remains globally connected through digital communications and networks This vital book explains why and where failings in Afghanistan happened warning against exceptionalist approaches to future peacebuilding missions around the globe
