

Good evening brethren!

This day will be noted as to be one of those rare and wonderful moments because of our invited guest. His name echoes the essence of service, dedication and faithfulness to the work of God.

According to D. L. Moody, God always uses the man closest to His heart. Undeniably, our guest preacher, **Rev. Doc. Renato Layco**, who came to know the Lord on August 11, 1978, is a man close to God's heart.

Dr. Layco is a diligent worker of God's vineyard from August of 1979 up to present, reaching out and transforming people's lives through preaching the word of God.

He is happily married to **Mrs. Digna Narciso Layco**, from Paniqui, Tarlac on May 7, 1988.

His achievements even prior to being a Pastor are truly commendable. He graduated with a degree in Electrical Engineering at Tarlac State University and passed the Board Exam for BSEE.

Bold spirited, he took up and finished his degree in Bachelor of Theology as well as Master of Theology at Liberty College in Lynchburg, Virginia USA in 1996; while his Doctor of Theology at Knox Theological Seminary in Fort Lauderdale, Florida USA in the year 2000.

At present, he is a **Resource Speaker**, a dynamite preacher frequently invited by different churches to share the word of God for various occasions; a **Church Consultant**; a **Counselor**; a **Bible Teacher** and a **Bible School Director**.

As J. Hudson Taylor once said, "All of God's great men are men who did great things for God because they reckoned on His being with them; they counted on His faithfulness." Indeed, our guest preacher for tonight is a man with great faith. And that seed of faith is the reason for him being here tonight.

A man I personally admire because of his wisdom, generous heart, caring spirit and unconquerable faith in God. Please welcome, Rev. Doc. Renato Layco.

Groups Gayle Turner Watson, 2011-07-11 Covenant Discipleship Groups have a long history of helping Christians grow as disciples Based on the early Methodist class meetings Covenant Discipleship Groups provide a way for Christians today to be accountable disciples of Jesus Christ Q A s Q WHAT IS A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups consists of up to seven persons who meet together for one hour each week to hold themselves mutually accountable for their discipleship They do this by means of a covenant that they have written Q WHAT IS THE PURPOSE OF A COVENANT DISCIPLESHIP GROUP A Covenant Discipleship Groups are intended solely for mutual accountability and prayerful support for living as disciples in the world They are not where our discipleship happens but where we make sure that it happens Q WHY DOES THE GROUP NEED A COVENANT A The covenants we make with one another help us keep our covenant with God We make covenants with one another because we live in a world that has yet to accept God's salvation We constantly face temptations to turn away from God and we need some means of mutual support John Wesley and the early Methodists understood this need and saw that nothing short of binding themselves to mutual accountability would suffice By the grace of God they agreed to watch over each other in love Q WHY JOIN A COVENANT DISCIPLESHIP GROUP A By joining with other Christians in a weekly meeting members of Covenant Discipleship Groups learn to center their lives on Jesus Christ by following his teachings and supporting one another in living out the basics of Christian discipleship Q WHAT WILL HAPPEN TO ME IN A COVENANT DISCIPLESHIP GROUP A You will become more aware of God's grace in your life You will find new ways of serving God and your neighbor You will find your understanding of God's will greatly enhanced Q How WILL THIS BOOK HELP ME A This handbook is primarily a practical reference manual for starting developing sustaining and incorporating Covenant Discipleship Groups into the mission and ministry of the church *Speaking of Satan in Zambia* Johanneke Kroesbergen-Kamps, 2023-03-01 In this book it is argued that narratives about Satanism which have become popular in the Christian context of Zambia from the 1990s onwards make cultural sense because of their links to traditional African notions as well as contemporary Christian theologies These narratives also resonate with unease regarding the cultural change which is connected by Zambians to modernity Narratives about Satanism further make personal sense to their narrators the pastors who provide a platform for them and their audiences These arguments contribute to the academic study of religion in Africa in particular of African Christianity and of witchcraft related phenomena as well as to the global study of discourses on Satanism and other conspiracy theories All of these disciplines are

related to the topic of Satanism in Zambia but the phenomenon itself has not been discussed at length which makes the existing academic literature incomplete and inadequate The comprehensive focus on the case of narratives about Satanism in Zambia offers new insights and enhances current theoretical reflection The research presented in this book is original carried out during fieldwork spanning from 2012 to 2017 in Zambia and literature study in the years after that Methodologically the research is based on participant observation in churches in which testimonies of ex Satanists were presented as well as participation in the Fingers of Thomas a Roman Catholic group which investigates rumours about Satanism Furthermore it is based on interviews with pastors and students of theology active in the deliverance ministry from Pentecostal as well as mainline churches and also on interviews with people who have had experiences of Satanism Finally the research is based on an analysis of collected testimonies of ex Satanists as they were presented in these interviews in churches on radio programmes in newspapers and in other sources

Between Babel and Pentecost Andre Corten, Ruth Marshall-Fratani, 2001-08-22 This text considers the important
transnational character of Pentecostal movements in Africa and Latin America and their tendency to foster identities that
transcend national and cultural contexts *Standard History of Memphis, Tennessee* John Preston Young, 1912 **Do
Running Mates Matter?** Christopher J. Devine, Kyle C. Kopko, 2020-05-15 The American vice presidency as the saying goes
is not worth a bucket of warm spit Yet vice presidential candidates many people believe can make all the difference in
winning or losing a presidential election Is that true though Did Sarah Palin for example sink John McCain's campaign in
2008 Did Joe Biden help Barack Obama win Do running mates actually matter In the first book to put this question to a
rigorous test Christopher J Devine and Kyle C Kopko draw upon an unprecedented range of empirical data to reveal how and
how much running mates influence voting in presidential elections Building on their previous work in *The VP Advantage* and
evidence from over 200 statistical models spanning the 1952 to 2016 presidential elections the authors analyze three
pathways by which running mates might influence vote choice First of course they test for direct effects or whether
evaluations of the running mate influence vote choice among voters in general Next they test for targeted effects if that is
running mates win votes among key subsets of voters who share their gender religion ideology or geographic identity Finally
the authors examine indirect effects that is whether running mates shape perceptions of the presidential candidate who
selected them which in turn influence vote choice Here in this last category is where we see running mates most clearly
influencing presidential voting especially when it comes to their qualifications for holding office and taking over as president
if necessary Picking a running mate from a key voting bloc probably won't make a difference the authors conclude But
picking an experienced well qualified running mate will make the presidential candidate look better to voters and win some

votes With its wealth of data and expert analysis this finely crafted study the most comprehensive to date finally provides clear answers to one of the most enduring questions in presidential politics can the running mate make a difference in this election *Words That Changed History* Dino J.
