Studies in Leading and Organizing Schools Cecil Miskel,Wayne K. Hoy,2003-04-01 This volume provides a mix of beginning and established scholars and a range of theoretical perspectives Eight separate but related analyses were selected for publication this year The book begins with a chapter by Sims and Miskel which examines national reading policy as part of a broader federal government agenda on children s literacy Using a model of punctuated equilibrium they trace the peaks of congressional and media attention to literacy Their findings reveal that the broad level of literacy has remained a rather active and durable policy issue for more than three decades When however the analysis shifts to different targets that is from elementary and secondary school students to adults and youth to LEP individuals there are distinct patterns of punctuation and equilibrium The researchers conclude that the specific issue of children s literacy in the 1990s is the latest version or episode of literacy policy produced by shifting images and venues **Writing for Emerging Sociologists** Angelique Harris,Alia Tyner-Mullings,2013-01-04 A writing guide designed for upper level sociology undergraduate students and graduate students this instructional text introduces students to the variety of writing projects that sociologists undertake while also providing instruction on grammar and composition It will provide students with practical knowledge concerning

topics such as peer reviewed journal manuscripts book reviews grant proposals and field notes What makes this book unique is that it offers useful advice and instruction for sociology college students whether they plan on entering the academy or the private non profit or government sectors Writing for Emerging Sociologists uses writing as a tool to help students learn not only about sociology as a field of study but also the practice of sociology [You CAN Teach Advanced Med-Surg Nursing!](#) Mary A.
