

Best Character Sketch Examples

To further explain how to write a character sketch, here is an example of the character sketch of Anne Frank, the youthful writer of the famed "The Diary of a Young Girl":

Anne, the author of the diary, is a thirteen-year-old feisty girl who is more confident in writing down her thoughts in her diary than sharing them with people. While being quite close to her father, she shares an emotionally distant relationship with her mother. Throughout the diary, she grows from an innocent, stubborn, and somewhat spiteful girl to a more politically conscious, self-aware, and introspective girl of 15 years. She tries to keep an optimistic attitude even in the concentration camp she is moved to, where she dies before reaching the age of sixteen. Anne was a strong-willed and spirited girl, who struggled to keep her optimism alive even in the face of grave fear and danger.

The Writing Commitment Michael E. Adelstein, Jean G. Pival, 1988. *Practice with Purpose* Debbie Diller, 2005. In her 30 years as an educator, Debbie Diller has closely examined classroom practice, asking, "Why? What's the purpose?" Watching primary students work successfully at literacy work stations, she wondered with teachers, "Why don't we have upper grade students doing this? Could we kick it up a notch?" In her new book, Debbie shows teachers of grades three to six how to structure their classrooms so that all students can be successful doing meaningful independent work using literacy work stations. *Practice with Purpose* offers guidance on establishing routines for independent reading and response writing, as well as step-by-step instructions on how to set up and manage a variety of hands-on literacy work stations appropriate for intermediate students. Each chapter includes how to introduce the station, innovative ways to use materials, what to model to guarantee independence, how to troubleshoot assessment and accountability ideas, how the station supports student achievement on state tests, reflection questions for professional development. The extensive appendix includes time-saving tools such as management board icons, graphic organizers, task cards, and recommended Web sites and children's literature.
