**Liability Company** Anthony Mancuso, 2022-07-04 Running your LLC step by step A limited liability company can give your small business both tax benefits and protection from personal liability for business debts But without careful record keeping regular meetings and formal minutes you could lose these advantages Your Limited Liability Company provides all the instructions and forms you need to maintain the legal validity of your LLC Forms include Minutes of LLC Meeting Waiver of Notice of Meeting Approval of LLC Minutes Written Consents for Single Member LLCs You'll also find more than 50 of the most commonly used legal resolutions to insert in your minutes or written consents Use them to declare distributions of LLC profits to members hire employees and contract with outside firms approve LLC contracts approve salary increases and bonuses authorize bank loans elect corporate tax treatment for your LLC and amend the articles and operating agreement With Downloadable Forms Provides 70 minutes and resolution forms with step by step instructions on how to document important LLC decisions votes and transactions All forms are included in the book and are available for download

**Choosing the Right Legal Form of Business** Patricia Mitchell, 2010 According to the United States Small Business Administration's most recently released data there are more than 9 million small businesses in the United States and almost 250 000 new ones started every year Of those new businesses half will fail in the first 12 months and part of that failure is due to the lack of information about how to start and develop that business Without the right legal form of business you may end up paying too much in taxes failing to comply with certain laws or miss out on certain breaks that you deserve This book provides you with a complete guide discussing all four major forms of business which one is right for you and how your decision may affect you in the future The first thing you will read about is the list of non legal issues you need to deal with before you start the business creation process In addition you will learn which form of business is ideal for your particular situation with a short overview of each type a comparison of what each offers and how the legal implications of each might apply to you You will learn specifically how to choose between an LLC and a corporation in instances where it might not be immediately clear which is best for you You will also learn which special business structures are best suited to your needs if you do not fit into any of the four primary categories The process of structuring a partnership is outlined along with how to create a written agreement and how to change a partnership after the business has been created You will also

learn how to create a corporation including the structure you will use how to establish financing the compensation you will provide yourself whether you need a lawyer the 13 step process of starting and filing your corporation and what you need to do immediately afterwards The number of members needed to create an LLC is provided as well along with how to structure management and determine financing and compensation Hours of careful interviews were conducted with successful small business owners and legal experts to help create a comprehensive collection of materials that will guide you through the processes above as well as how to handle transition of ownership and the extended process of naming your business e including the legal implications of this process what you need to know about trademarks and service marks how to protect your own trademarks and where to do name searches The licensing and permit processes as well as the tax structures for each business type are included for federal state and local laws while additional information is provided on how to build your home based business as opposed to one in a physical location If you are looking to create a new business and do not know which format is best for your needs this book will walk you through each step of the selection process making sure your new business meets all applicable laws and regulations

**How to Form a Corporation in Texas** Karen Ann Rolcik, Mark Warda, 2004 Protect yourself and make the most of your business venture without the expense and delay of hiring a lawyer by incorporating your business on your own How to Form a Corporation in Texas contains everything you need to legally incorporate in the state of Texas This book helps make incorporating your business a simple process that will not drain your vital time and capital
