

SPEECH-LANGUAGE THERAPY EVALUATION REPORT (Adult with Cleft Palate Repair)

Name:

DOB:

Address:

Guardian Name & Phone Number:

Date of Evaluation:

REASON FOR REFERRAL:

IOC has been referred for a comprehensive speech-language evaluation to assess current overall functional communication skills.

REVIEW OF PAST MEDICAL/DEVELOPMENTAL/EDUCATIONAL HISTORY:

Complete medical, educational and background information can be found in the most recent **PSYCHOMET** report. **AGENCY/SCHOOL/CAREGIVER**

PARENT/PHYSICIAN/CASE MANAGER has made a referral for a complete comprehensive communication evaluation to determine current levels and functional communication needs.

METHODS OF ASSESSMENT:

1. **Parent/family/caregiver/teacher** Reports
2. Observation
3. Informal Assessment(s)
4. Formal Assessment(s)

VALIDITY OF ASSESSMENT:

Information gathered during this assessment includes

parent/family/caregiver/teacher/support staff reports, observation informal and formal assessments.

TEST CONDITIONS AND BEHAVIORS:

The testing took place in the natural **home/school/clinic** environment, which was relatively free of undue auditory and visual distracters. The obtained results are considered to be an accurate estimate of current levels of functioning.

TESTING RESULTS:

Oral Mechanism:

IOC was born with a cleft palate and has undergone several surgeries to repair the cleft. Currently, structures of dentition as well as function of oral musculature appear to be within normal limits. Oral motor movements fell within normal limits for the purpose of producing speech.

Fluency:

A Guide to Clinical Assessment and Professional Report Writing in Speech-Language Pathology Renee Fabus, 2024-06-01 Learning to assess speech and language disorders and write diagnostic reports may be an overwhelming experience especially when most texts don't cover both topics at once. With that in mind, *A Guide to Clinical Assessment and Professional Report Writing in Speech Language Pathology Second Edition* combines the latest assessment protocols and diagnostic techniques with vital diagnostic report writing tools into a single definitive guide. Cyndi Stein, Rubin, Renee Fabus, and their contributors recognize that clinical assessment is inextricably linked to report writing and have updated this Second Edition to synthesize the two. Following the introductory chapters which discuss the basics of assessment and report writing, each subsequent chapter focuses on a particular disorder, provides in-depth assessment tools, and presents a corresponding sample report. Key Features: An inventory and explanation of formal and informal assessment measures; A glossary of key vocabulary; Sample case histories with assessment tools; Relevant and useful interview questions; Each disorder's background and characteristics; Assessment parameters; A differential diagnosis section; A model report. The accessible format of *A Guide to Clinical Assessment and Professional Report Writing in Speech Language Pathology Second Edition* will help students learn how to assess and document speech and language disorders and will also make for a perfect reference for them as clinicians for years to come.

Professional Writing in Speech-Language Pathology and Audiology, Fourth Edition Robert Goldfarb, Yula C. Serpanos, 2023-11-29 With many more exercises, writing samples, and online resources, *Professional Writing in Speech Language Pathology and Audiology Fourth Edition* is an excellent resource for students of communication sciences and disorders. It is often used as a textbook for courses in professional writing, clinical methods, and professional issues. Throughout the text, the authors use anecdotal material, self-help questions, and humor to illustrate that learning to be a better professional writer does not require drudgery. The authors cover a spectrum of subjects related to professional writing, including rules of writing, review of grammar, spelling, punctuation, semantics, and sentence structure; evidence-based writing and citing sources; ethics related to professional writing; writing diagnostic and clinical reports; and writing for professional career advancement. New to the Fourth Edition: More exercises throughout the book; Incorporates APA 7th edition style; Reorganized for a greater flow of information; Combined the chapters on Evidence-Based Writing and Ethics of Professional Writing; Combined the chapters on Referencing Resources and Internet Resources. Book now ends with chapter 8 on professional presentations; Expansion of English mechanics underlying syntax; Inclusion of the 2023 revised version of the ASHA Code of Ethics; Key Features: Exercises in each chapter; Numerous samples including Institutional Review Board Research Review Form, Authorization of Release of Information Form, Journal Article Critique, Diagnostic Reports and Protocol Worksheets, Therapy Goals and Progress Reports, Types of Professional Correspondence, Presentation Slides, Resumes, Disclaimer. Please note that ancillary content such as exercises and sample presentations are not included as in the original.

print version of this work **Report Writing for Speech-language Pathologists** Grace Middleton,1992 Professional Communication in Speech-Language Pathology A. Embry Burrus,Laura B. Willis,2020-05-20 In Professional Communication in Speech Language Pathology How to Write Talk and Act Like a Clinician Fourth Edition the authors introduce student clinicians to the various types of written and verbal communication they will encounter across three different clinical settings university clinics medical settings and public schools The text is written in a student friendly manner with appendices that provide examples of diagnostic and treatment reports data sheets and important acronyms in medical and school settings Chapters cover verbal interactions with families allied professionals and supervisors as well as written and verbal communication across the university medical and school settings Also included are scenarios written in the form of vignettes that address issues of ethics interviewing and procedures for managing protected health information New to the Fourth Edition New pedagogical features chapter learning outcomes and reflection questions References and content updated throughout to reflect the current state of research and evidence based practice Updated information regarding current requirements and policies for written documentation Expanded information regarding HIPAA and the ASHA Code of Ethics Expanded content regarding interacting with supervisors and generational differences Material on methods for improving writing and editing Numerous additional examples to further clarify the content and portions reorganized for greater flow of information Content has been edited to be more concise and reader friendly Disclaimer Please note that ancillary content such as documents audio and video etc may not be included as published in the original print version of this book

Resources in Education ,2000 Federal Register ,2013-12 **Essentials of Assessment Report Writing** Elizabeth O. Lichtenberger,Nancy Mather,Nadeen L. Kaufman,Alan S. Kaufman,2012-06-12 Instructive guide to preparing informative and accurate assessment reports for a variety of individuals and settings Assessment reports are central to the diagnostic process and are used to inform parents clients and clinicians among others about academic problems personality functioning neuropsychological strengths and weaknesses behavioral problems and the like Essentials of Assessment Report Writing provides handy quick reference information using the popular Essentials format for preparing effective assessment reports This book is designed to help busy mental health professionals quickly acquire the knowledge and skills they need to write effective psychological assessment reports Each concise chapter features numerous callout boxes highlighting key concepts bulleted points and extensive illustrative material as well as test questions that help you gauge and reinforce your grasp of the information covered This practical guide focuses on efficiently and effectively communicating referral and background information appearance and behavioral observations test results and interpretation summary and diagnostic impressions and treatment recommendations The authors provide examples of both good and bad case report writing and highlight ethical issues and topics relevant to presenting feedback Essentials of Assessment Report Writing is the only pocket reference illustrating how to prepare an effective assessment report **Essentials of Assessment Report Writing** W. Joel

Schneider,Elizabeth O. Lichtenberger,Nancy Mather,Nadeen L. Kaufman,2018-08-24 The bestselling guide to reporting writing updated and reworked for today s practice Essentials of Assessment Report Writing offers effective solutions to the creation of reader friendly yet targeted psychological and educational assessment reports Parents clinicians clients and other readers need more than test by test descriptions they need an accessible analysis of the entire situation to determine their next steps This book provides clear guidance for busy practitioners seeking ways to improve their report writing skills With a focus on current practice this new second edition covers DSM 5 updates and the latest assessment instruments including the WJ IV WISC V WAIS IV KTEA 3 and the CAS2 New discussion includes advice on tailoring the report to the audience and annotated case reports provide illustrative models of effective report styles interpretation and analysis Key concepts are highlighted for quick reference throughout and end of chapter questions help reinforce understanding Reporting styles vary widely within the field in both content and style there is no definitive standard but many reports fail to reflect best practices and therefore prove less than useful to the reader This book provides expert guidance throughout the reporting process to help practitioners provide high quality accessible reports Integrate assessment results to provide a person centered report Identify and navigate critical decision points in the interpretive process Write efficiently yet effectively while enhancing the reader s experience Provide an accurate informative and readable assessment report Incorporate practical recommendations to address the referral concerns Expertly conducted assessments should culminate with a carefully constructed analysis that provides direction via clear communication Because this report will be used to inform treatment intervention and ultimately the client s quality of life it is critical that it provides clear informative guidance in a way that readers can understand Essentials of Assessment Report Writing provides comprehensive guidelines for navigating through the report writing process

Surveillance of language development in pre-school children Johannes Fellingner,Daniel Holzinger,David Saldaña,2022-12-16

Clinical Methods and Practicum in Speech-Language Pathology M.N. Hegde,Katrina Kuyujian,2019-04-19 The sixth edition of Clinical Methods and Practicum in Speech Language Pathology remains a vital resource for students in speech language pathology who are about to begin their clinical practicum The book is divided into two major sections clinical practicum and clinical methods in speech language pathology These sections provide coverage of the structural and functional aspects of clinical practicum in a variety of settings The book emphasizes clinical practicum is an exciting learning experience The students will understand what is expected of them in each setting and what they can expect from their clinical supervisors The book also gives an overview of treatment methods that apply across disorders With this book students will be better prepared to meet the exciting and yet often challenging task of providing ethical and effective services to children and adults with communication disorders Clinical supervisors may find the book helpful in understanding their own roles and responsibilities better so that they can create a productive and exciting clinical practicum experience for their student clinicians Clinical Methods and Practicum in Speech Language Pathology offers a single and

comprehensive source of information that will help establish clear expectations for both student clinicians and the clinical supervisors New to the Sixth Edition New coauthor Katrina Kuyumjian A new chapter with an overview of treatment procedures that apply across disorders of communication Revised section on clinical methods to include updated information on the current ASHA guidelines on clinical practicum current legal and professional requirements regarding clinical practicum in educational settings new and expanded information on assessment target behaviors and treatment strategies for all disorders of communication Updated and expanded references throughout Key Features Chapter Outlines open each chapter and provide a summary of the key topics An end of book glossary allows readers to easily find and define important terms or concepts Bulleted and boxed information for easy access Disclaimer Please note that ancillary content such as documents audio and video etc may not be included as published in the original print version of this book

Parental Questionnaires as a Reliable Instrument for the Assessment of Child Language Development Maria-José

Ezeizabarrena,Melita Kovacevic,2024-09-13 Language is crucial in child development Therefore general questions such as what are the possible challenges in language acquisition or such as how well the my child is doing are commonly present for researchers clinicians teachers and parents Parent child interaction offers a privileged setting to observe children s behavior in multiple communicative situations which often is only available to the parents caregivers For this reason within the broad range of methods used to assess children s development parental questionnaires are widely used being a non invasive and inexpensive instrument to obtain information which is otherwise difficult to obtain Data obtained with the many questionnaires covering various aspects of child development and communicative competence are equally relevant for basic research and everyday clinical practice Development and use of parental questionnaires as well as data interpretation frequently require an interdisciplinary and cross sector approach bringing together developmental psychologists and practitioners This interdisciplinarity is assumed but rarely addressed directly

A Coursebook on Scientific and Professional Writing for Speech-Language Pathology, Sixth Edition M.N. Hegde,2022-12 A Coursebook on Scientific and Professional Writing for Speech Language Pathology Sixth Edition is a unique interactive resource to help students develop the strong writing skills necessary for a successful clinical or academic career in speech language pathology The book not only describes the principles of good writing but also contains numerous opportunities to practice writing skills replete with exemplars The Coursebook is ideal for dedicated courses on scientific and or professional writing and can also be used in courses on assessment research methods and clinical methods and practicum The first section of the book is a refresher on the basic rules of grammar punctuation and composition The second section is focused on scientific writing and explains the different types of academic publications offers tips on how to write without bias and describes the typical manuscript formatting required for scientific publications It also includes examples of the elements of scientific style such as capitalization and abbreviations how to reference sources cited within the text and how to prepare the reference list Also
