

DECALS (MACHINE SIGNS)

⚠ WARNING

The operator must read the warnings on the loader and in this manual before trying to operate the loader.

There are two kinds of decals attached to the loader: ones for the operation and maintenance of the loader; and ones for safety. Follow the instructions on the decals. Damaged or missing decals must be replaced with new ones. All decals are available from your dealer.

Notes 1: Decals numbered 1 thru 14 are given to provide important safety messages and those marked * are for the instructions of operation and maintenance and the information about the model number and others.

2: The decal numbered 12 is installed on one of the ROPS legs if the loader is equipped with a ROPS cab.
