Teach Me To Submit:

Submit!?! Oh No, He Ain't the Boss of Me....Is He? Adrienne Pintilie, 2019-02-13 Why do I feel the need to argue about everything with my husband Why do I feel threatened when being told to do something by anyone Why do I feel as though I need to win the discussion turned argument Why can't I just sit quiet and agree I remember one particular argument with my husband years ago As usual it started by disagreeing on something so benign it warranted no further discussing But oh no he wasn't going to get the best of me Truth be told we were both thinking the exact same thing That angst turned into malicious attacks of each other Why Why did it have to result into that every time One day I had reached my limit to what I felt was him treating me like a doormat I fell to my knees in prayer and just asked the Lord to guide my heart and thoughts What do I need to do to change this cycle I prayed so many times with what appeared to me to be no answer that I decided to go hunt for an answer in the Scriptures Don't you just love when the Lord does that I started researching submission and this book is the result of that research I wanted to share my very personal and vulnerable struggles with other women men and church groups If I was having challenges with submission surely others were too Maybe just maybe my failures could be the catalyst for someone else's success This book was written based on my personal experiences negative and positive and my own struggles with submission as a Christian woman wife mother daughter employee and tax paying citizen I also hope to shed light on the fact that everyone is under submission in some aspect of their lives I decided to write this in hopes other women who struggle with this concept might be encouraged that there is hope for the stubborn I used scriptures specifically related to submission not just for women but for everyone I also infused a great deal of humor throughout as I know this topic can become very heavy hearted and using humor made it easier to entice the reader to keep going I learned a great deal from researching this book as did my husband which amazingly made our marriage stronger and more deep rooted in Christ I must believe that if it can make a positive impact on our marriage as stubborn as we both are I pray it can make a difference for others

The Posture of Submission Melissa Cade Sikes, 2024-04-19 You may be single separated divorced or widowed and think this topic has nothing to do with you Think again No matter your marital status everyone is called to a life of submission So ready yourself as you accept the twenty one day challenge to live a life of submission to God and experience the transforming power of Christ in your life Humility is the first step to submission When our motives of impure ambitions and pride are the driving force we can't see others above ourselves But when we put the needs of others above our own the goal of humility can easily be accomplished Melissa Sikes is a former award winning newspaper journalist teacher and coach She lives in North Carolina with her husband James and her two stepchildren

Naked and

Unashamed Davenia Jones Lea, 2016-03-30 After two years Shula still can't believe her husband Seth is gone. In an effort to live again and to feel again she accepts an offer to counsel women about marriage love and fulfillment at Namaans a Christian spa and retreat center designed to meet the spiritual emotional mental and physical needs of women. It all begins with Shula's first week long retreat Naked and Unashamed where she leads four women on a journey exploring the ins and outs of the big S Barbaras husband just retired and has finally joined her at home. She's dreamed of this moment but so far nothing's changed. Barb reasons there must be passion after sixty and she's hoping she'll discover ways to spice things up in more ways than adding cayenne pepper to her chicken tetrazzini. Lindsey hopes to boost her confidence as her wedding draws near. She's done it right virgin til I do yet the man she loves took an alternate route. How will Lindsey measure up to Gabriela the mother of her fiancs son and how on earth will she fare as a stepmother and new wife. Then theres Savannah who believes she has the perfect marriage. So why did her husband Reed suggest she attend this retreat. Savannah's hoping some new moves in the kitchen and bedroom will solve her problems. But Shula's hoping she can help Savannah uncover the root of her struggles and do what it takes to penetrate the wall that guards her heart. And finally theres Alex. She's already determined divorce is the answer. She makes six figures six figures more than her husband and runs her home single handedly. She's convinced she really has no need for a husband and wonders why she married him in the first place. This week is her last ditch effort to salvage her marriage or at least give the illusion that she gave it her all before giving the loafer the boot. These four very different women united by Shula's unusual therapeutic tactics as well as the amazing staff services and food at Naamans make unexpected discoveries about marriage love and more importantly themselves. Surprising truths are revealed past wounds are healed and precious relationships are made all while learning to live free of guilt pain fear sorrow shame and the lies of the enemy free to live naked and unashamed. *The Power of Submission* Kim V.E. Sands, 2011-07-29 Create or modify your HTML page in the text box. Click Show Page to see your page in the frame to the right. At the root of most of the problems we face in our lives today is disobedience. God is calling his people to fulfill his will and walk in the power of his word and if we are willing to respond then we must embrace submission. The very word and concept of submission has been tainted to the point that many despise and scorn it. In this book you will discover that submission is not to be rejected it is power. Power to change your life marriage family job community and ministry. But more than anything it will change your relationship with God. Each chapter will offer revelation inspiration motivation and testimonies of real life struggles and victories. If you only read a few books this year make sure one of them is *The Power of Submission*. In this book submission is given physical expression by the woman. Nonetheless its message is for men leaders or anyone who desire a more committed and powerful walk with God. If you need a fresh Word a wake up call in your spirit or passion to push to the finish line then pick up this book and prepare to be inspired by the power of submission.

Awesome Families Kathleen E. Jenkins, 2005-11 Denounced by some as a dangerous cult and lauded by others as a miraculous faith community the International Churches of Christ was a conservative evangelical Christian movement that grew rapidly in the 1980s and 1990s Among its followers promises to heal family relationships were central to the group's appeal Members credit the church for helping them develop so called awesome families successful marriages and satisfying relationships with children family of origin and new church brothers and sisters The church engaged an elaborate array of services including round the clock counseling childcare and Christian dating networks all of which were said to lead to fulfilling relationships and exciting sex lives Before the unified movement's demise in 2003 2004 the lure of blissful family life led more than 100 000 individuals worldwide to be baptized into the church In *Awesome Families* Kathleen Jenkins draws on four years of ethnographic research to explain how and why so many individuals primarily from middle to upper middle class backgrounds were attracted to this religious group that was founded on principles of enforced community explicit authoritative relationships and therapeutic ideals Weaving classical and contemporary social theory she argues that members were commonly attracted to the structure and practice of family relationships advocated by the church especially in the context of contemporary society where gender roles and family responsibilities are often ambiguous Tracing the rise and fall of this fast growing religious movement this timely study adds to our understanding of modern society and offers insight to the difficulties that revivalist movements have in sustaining growth
