

# Thanks To You

© 2008 Words And More by Dana A. Maxwell Illustrations

Thank you for the times you listened  
Thank you for the times you heard  
You made me feel like I could soar  
And sing just like a bird  
Thanks to you

Now I stand tall,  
And I stand true  
You know it is – thanks to you

It was you who said "yes"  
When all the world said no  
Showed me how to grow my dreams  
Instead of letting go  
Thanks to you

Now I stand tall,  
And I stand true  
You know it is – thanks to you

Thank you for the times you listened  
I needed a friend like you  
I bet there are a thousand kids  
That shine because of you  
Thanks to you

Now I stand tall,  
And I stand true  
You know it is – thanks to you

**thanks to you**

## Teacher Appreciation Song Lyrics:

A History of Western Appreciation of English-translated Tang Poetry Lan Jiang, 2018-03-08 This book examines the development of English translated Tang poetry and its propagation to the Western world It consists of two parts the first of which addresses the initial stage of English translated Tang poetry s propagation and the second exploring its further development By analyzing the historical background and characteristics of these two stages the book traces the trend back to its roots discusses some well known early sinologists and their contributions and familiarizes readers with the general course of Tang poetry s development In addition it presents the translated versions of many Tang poems The dissemination of Tang poetry to the Western world is a significant event in the history of cross cultural communication From the simple imitation of poetic techniques to the acceptance and identification of key poetic concepts the Tang poetry translators gradually constructed a classic Chinese style in modern American poetry Hence the traditional Chinese culture represented by Tang poetry spread more widely in the English speaking world producing a more lasting impact on societies and cultures outside China and demonstrating the poetry s ability to transcend the boundaries of time region nationality and culture Due to different cultural backgrounds the Tang poets or poems admired most by Western readers may not necessarily receive high acclaim in China Sometimes language barriers and cultural differences make it impossible to represent certain allusions or cultural and ethnic concepts correctly during the translation process However in recent decades the translation of Tang poetry has evolved considerably in both quantity and quality As culture is manifested in language and language is part of culture the translation of Tang poetry has allowed Western scholars to gain an unprecedented understanding of China and Chinese culture

**No Thanks** Keturah Kendrick, 2025-07-30 Through eight humorous essays Keturah Kendrick chronicles her journey to freedom She shares the stories of other women who have freed themselves from the narrow definition of what makes a proper woman Spotlighting the cultural bullying that dictates women must become mothers to the expectation that one s spiritual path follow the traditions of previous generations Kendrick imagines a world where black women make life choices that center on their needs and desires She also examines the rising trend of women choosing to remain single and explores how such a choice is the antithesis to the trope of the sorrowful black woman who cannot find a man to grant her the prize of legal partnership A mixture of memoir and cultural critique No Thanks uses wit and insight to paint a picture of the twenty first century black woman who has unchained herself from what she is supposed to be A black woman who has given herself permission to be whomever she wants to be
