The Great Expectations School Dan Brown,2011-09-01 At the age of twenty two Dan Brown came to P S 85 as an eager fresh faced teacher He was even as signed his own class 4 217 Unbeknownst to him 4 217 was the designated dumping ground for all fourth grade problem cases and his students would prove to be more challenging than he could have ever anticipated Intent on being a caring dedicated teacher but confronted with unruly children absent parents and a failing administration Dan was pushed to the limit time and again he found himself screaming with rage punching his fist through a blackboard out of sheer frustration often just wanting to give up and walk away Yet in this seeming chaos he slowly learned from the more seasoned teachers at the school and from his own mistakes how to discipline teach and make a difference The Great Expectations School is the touching story of Class 4 217 and their teacher Mr Brown But more than that it is the revealing story of a broken educational system and all those struggling within and fighting against it
