Americans All Diana Selig,2008 From the 1920s ea decade marked by racism and nativism ethrough World War II hundreds of thousands of Americans took part in a vibrant campaign to overcome racial ethnic and religious prejudices They celebrated the eoecultural gifts e that immigrant and minority groups brought to society learning that ethnic identity could be compatible with American ideals Diana Selig tells the neglected story of the cultural gifts movement which flourished

between the world wars Progressive activists encouraged pluralism in homes schools and churches across the country Countering racist trends and the melting pot theory of Americanization they championed the idea of diversity They incorporated new thinking about child development race and culture into grassroots programs yet they were unable to address the entrenched forms of discrimination and disfranchisement faced by African Americans in particular This failure to grasp the deep social and economic roots of prejudice ultimately limited the movement's power In depicting a vision for an inclusive American identity from a diverse citizenry Americans All is a timely reminder of the debates over difference and unity that remain at the heart of American society
