

CODE OF ETHICS FOR PROFESSIONAL TEACHERS

Article I: Scope and Limitations

Section 1. The Philippine Constitution provides that all educational institution shall offer quality education for all competent teachers. Committed to its full realization, the provision of this Code shall apply, therefore, to all teachers in schools in the Philippines.

Section 2. This Code covers all public and private school teachers in all educational institutions at the preschool, primary, elementary, and secondary levels whether academic, vocational, special, technical, or non-formal. The term “teacher” shall include industrial arts or vocational teachers and all other persons performing supervisory and /or administrative functions in all school at the aforesaid levels, whether on full time or part-time basis.

Article II: The Teacher and the State

Section 1. The schools are the nurseries of the future citizens of the state; each teacher is a trustee of the cultural and educational heritage of the nation and is under obligation to transmit to learners such heritage as well as to elevate national morality, promote national pride, cultivate love of country, instill allegiance to the constitution and for all duly constituted authorities, and promote obedience to the laws of the state.

Section 2. Every teacher or school official shall actively help carry out the declared policies of the state, and shall take an oath to this effect.

Section 3. In the interest of the State and of the Filipino people as much as of his own, every teacher shall be physically, mentally and morally fit.

Section 4. Every teacher shall possess and actualize a full commitment and devotion to duty.

Section 5. A teacher shall not engage in the promotion of any political, religious, or other partisan interest, and shall not, directly or indirectly, solicit, require, collect, or receive any money or service or other valuable material from any person or entity for such purposes.

Section 6. Every teacher shall vote and shall exercise all other constitutional rights and responsibility.

Section 7. A teacher shall not use his position or official authority or influence to coerce any other person to follow any political course of action.

Section 8. Every teacher shall enjoy academic freedom and shall have privilege of expounding the product of his researches and investigations; provided that, if the results are inimical to the declared policies of the State, they shall be brought to the proper authorities for appropriate remedial action.

Article III: The Teacher and the Community

Section 1. A teacher is a facilitator of learning and of the development of the youth; he shall, therefore, render the best service by providing an environment conducive to such learning and growth.

Section 2. Every teacher shall provide leadership and initiative to actively participate in community movements for moral, social, educational, economic and civic betterment.

Takyi-Amoako,2015-05-21 Education in West Africa is a comprehensive critical reference guide to education in the region Written by regional experts the book explores the education systems of Benin Burkina Faso Cameroon Cape Verde Chad The Gambia Ghana Guinea Guinea Bissau Ivory Coast Liberia Mali Mauritania Niger Nigeria Senegal Sierra Leone and Togo It critically examines the development of education provision in each country whilst exploring both local and global contexts Including a comparative introduction to the issues facing education in the region as a whole this handbook is an essential reference for researchers scholars international agencies and policy makers at all levels **International Research Handbook on Values Education and Student Wellbeing**

Terence Lovat,Ron Toomey,Neville Clement,2010-08-05 Informed by the most up to date research from around the world as well as examples of good practice this handbook analyzes values education in the context of a range of school based measures associated with student wellbeing These include social emotional moral and spiritual growth elements that seem to be present where intellectual advancement and academic achievement are being maximized This text comes as values education widens in scope from being concerned with morality ethics civics and citizenship to a broader definition synonymous with a holistic approach to education in general This expanded purview is frequently described as pedagogy relating to values and wellbeing This contemporary understanding of

values education or values and wellbeing pedagogy fits well with recent neuroscience research. This has shown that notions of cognition or intellect are far more intertwined with social and emotional growth than earlier educational paradigms have allowed for. In other words, the best laid plans about the technical aspects of pedagogy are bound to fail unless the growth of the whole person—social, emotional, moral, spiritual, and intellectual—is the pedagogical target. Teachers and educationalists will find that this handbook provides evidence culled from both research and practice of the beneficial effects of such a values and wellbeing pedagogy.
