

The background of the slide is a photograph of a vast, golden wheat field. The wheat stalks are in sharp focus in the foreground, creating a textured, rhythmic pattern. In the distance, a flat horizon line separates the field from a sky filled with warm, orange and yellow light. A large, bright sun is positioned in the upper center of the frame, casting a soft glow over the entire scene. The overall mood is peaceful and hopeful, evoking themes of growth and harvest.

Parenting by Design Chris Groff,Michelle Groff,2014-04-04 Raising children is no easy task No matter the child no matter the situation every parent longs for obedience from their offspring God isnt overbearing when He deals with us and His example is perfect Theres no question that kids want truth and love as well as bonding and boundaries Because God understands the human condition He knows we learn best from hands on experience Jesus example and the Holy Spirits empathetic examination of our hearts Were asking you to consider using the same parenting style with your children Parenting by Design offers a more

relational approach to raising children relying less on rote obedience and more on walking with your children through their decision making development Forcing children to obey rarely works to build a healthy relationship that allows you to enter into their worlds and understand their decisions This book will help you parent with grace and love two key elements in motivating a child to obey
