Lord, Teach Us To Live Jennifer Chamberlain, 2020-02-04 The Lord s prayer has widely viewed as a guide to communicating with God and a model as to how Christians should pray But if we dig deeper into the prayer as Jennifer Chamberlain has so aptly done we will find that the Lord s prayer is a model for how we are to live our lives in relationship with God Each chapter takes parts of the prayer and turns them into lessons we can apply to our daily lives It can be used as a daily devotional or a Sunday school course The book is geared to Christians who seek a deeper walk with God but it also serves as an inspirational message for those who are exploring the Christian life There s no doubt that as you read this series of essays you will come away with new insights on the Lord s prayer as well as be fortified to walk in maturity victory and confidence with Christ in these perilous and difficult times You ll never see Matthew 6 9 13 quite the same again as the Lord not only teaches us how to pray but to live out the words of our prayer

Lord, Teach Us William H. Willimon, Stanley Hauerwas, Scott C. Saye, 1996 Studies each phrase of the Lord s Prayer and relates it to life in the Christian community

The Lord's Prayer and the Sermon on the Mount in Matthew's Gospel Charles Nathan Ridlehoover, 2019-12-26 Charles Nathan Ridlehoover examines the Lord s Prayer in Matthew s Gospel focusing on the prayer s centrality and showing how this centrality affects our reading of the Sermon on the Mount and subsequently the prayer itself Ridlehoover argues that the Lord s Prayer is structurally lexically and thematically central to the Sermon on the Mount and the means through

which disciples of Jesus are empowered to live out the kingdom righteousness it defines. In turn the Sermon on the Mount clarifies what the answer to the petitions of the Lord's Prayer might look like in the life of the disciple of Jesus. Whilst the centrality of the Lord's Prayer has been noted by previous commentators, this centrality and its intended purpose has not hitherto been defined or examined in great depth. Ridlehoover fills this gap with a closely argued and in depth study ranging from methodology and the structure of the prayer itself to examining the Father will, forgiveness and evil petitions and the relevance of word and deed for hearers and doers. Ridlehoover's examination of the relationship between the Sermon and Prayer advances studies in compositional criticism and intratextuality.
