*Ebook: Managerial Accounting* GARRISON, 2014-05-16 *Ebook Managerial Accounting Fundamental Managerial Accounting Concepts 7e* Thomas Edmonds, Bor-Yi Tsay, 2014-09-16 *Fundamental Managerial Accounting Concepts 7e*

Ebook: Managerial Accounting - Global Edition Ronald Hilton, David Platt, 2014-09-16 We are pleased to present this Global Edition which has been developed specifically to acquaint students of business with the fundamental tools of managerial accounting and to promote their understanding of the dramatic ways in which business is changing. The emphasis is on teaching students to use accounting information to best manage an organization. Each chapter is written around a realistic business or focus company that guides the reader through the topics of that chapter. There is significant coverage of contemporary topics such as activity based costing, target costing, the value chain, customer profitability analysis and throughput costing, while also including traditional topics such as job order costing, budgeting and performance evaluation. Many of the real world examples in the Management Accounting Practice boxes have been revised and updated to make them more current and several new examples have been added. This Global Edition has been adapted to meet the needs of courses outside the United States and does not align with the instructor and student resources available with the U.S. edition.

Financial Accounting, 6th Edition Maheshwari S.N. & Maheshwari S.K. & Maheshwari Sharad K., Financial Accounting provides a comprehensive coverage to course requirements of students appearing in the paper Financial Accounting at B.Com. B.Com. Hons. examinations of different Indian universities and Foundation Examination NS of the Institute of Company Secretaries of India. The book is divided into four sections. Section I explains the fundamental principles necessary for understanding the subject. It covers the entire accounting cycle from recording of financial transactions to the preparation of final accounts. Section II deals with accounting problems related to certain specific types of business transactions. Section III deals with partnership accounts. Section IV provides suggested answers to recent examinations questions.
