ThirdWay, 2008-12 Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *American Boarding School Fiction, 1981-2021* Alexander H. Pitofsky, 2022-10-17 American Boarding School Fiction 1981-2021 Inclusion and Scandal is a study of contemporary American boarding school narratives Before the 1980s writers of American boarding school fiction tended to concentrate on mournful teenagers When teachers parents and other adults appeared they were usually placed far from the center of the action The center was filled with white male Protestant students at boarding schools In this book Alexander H Pitofsky discusses a new generation of writers including Richard A Hawley Anita Shreve Curtis Sittenfeld and Tobias Wolff that has transformed school fiction by highlighting issues relating to gender race scandal sexuality education and social class in unprecedented ways By turning their attention away from the bruised feelings of teenagers Pitofsky argues these authors have reinvented American boarding school fiction writing vividly about a host of subjects the genre overlooked in the past Rescue Anita Shreve, 2010-11-30 A rookie paramedic pulls a young woman alive from her totaled car a first rescue that begins a lifelong tangle of love and wreckage Peter Webster pulls a young woman out of a car wreck that should have killed her Sheila Arsenault haunts his thoughts and despite his misgivings Peter is soon embroiled in an intense love affair and in Sheila's troubled world Eighteen years later Sheila is long gone and Peter is raising their daughter Rowan alone But Rowan is veering dangerously off course and for the first time in their quiet life together Peter fears for her future He seeks out the only person who may be able to help Rowan although Sheila's return is sure to unleash all the questions he has carefully been keeping at bay Why did a mother leave her family How did the marriage of two people so deeply in love unravel A story about trespass and forgiveness secrets and the seismic force of the truth Rescue is a masterful portrayal of a family trying to understand its fractured past and begin again **The Reading Group Insider** The eBook Insider, 2011-10-04 The Reading Group Insider is a valuable

Jockers,2016-08-16 This sneak peek teaser featuring literary giants John Grisham and Danielle Steele from Chapter 2 of The Bestseller Code a groundbreaking book about what a computer algorithm can teach us about blockbuster books stories and reading reveals the importance of topic and theme in bestselling fiction according to percentages assigned by what the authors refer to as the bestseller ometer Although 55 000 novels are published every year only about 200 hit the lists a commercial success rate of less than half a percent When the computer was asked to blindly select the most likely bestsellers out of 5 000 books published over the past thirty years based only on theme it discovered two possible candidates The Accident by Danielle Steel and The Associate by John Grisham The computer recognized quantifiable patterns in their seemingly opposite but undeniably successful writing careers with legal thrillers and romance In Chapter 2 Archer and Jockers analyze this data and divulge the most and least likely to best sell topics and themes in fiction with a human discussion of the why behind these results The Bestseller Code is a big idea book about the relationship between creativity and technology At heart it is a celebration of books for readers and writers a compelling investigation into how successful writing works **The Publishers Weekly** ,2009 **Kaapse bibliotekaris** ,2010 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **Sea Glass** Anita Shreve,2002-04-09 With all the narrative power and emotional immediacy that have made her novels acclaimed international bestsellers Anita Shreve unfolds a richly engaging tale of marriage money and troubled times the story of a pair of young newlyweds who setting out to build a life together in a derelict beach house on the Atlantic coast soon discover how threatening the world outside their front door can be 10 **The Bestseller Code** Jodie Archer,Matthew L.
