Texas Politics Today 2015-2016 Edition William Maxwell, Ernest Crain, Mark Jones, Morhea Davis, Christopher Wlezein, 2015-01-01 TEXAS POLITICS TODAY encourages critical thinking and civic participation with ideas essays and questions related to Texas politics presented from different viewpoints Important Notice Media content referenced within the product description or the product text may not be available in the ebook version Manifesto for New Social Movements César Augusto Rossatto, 2019-10-01 The world is currently witnessing the emergence of a new context for education labor and transformative social movements Global flows of people capital and energy increasingly define the world we live in The multinational corporation with its pursuit of ever cheaper sources of labor and materials and its disregard for human life is the dominant form of economic organization where capital can cross borders but people can't Affirmative action democracy and human rights are moving in from the margins to challenge capitalist priorities of efficiency i.e. exploitation In some places the representatives of popular movements are actually taking the reins of state power Across the globe new progressive movements are emerging to bridge national identities and boundaries in solidarity with transnational class gender and ethnic struggles At this juncture educators have a key role to play The ideology of market competition has become more entrenched in schools even as opportunities for skilled employment diminish We must rethink the relationship between schooling and labor developing transnational pedagogies that draw upon the myriad social struggles shaping students' lives and communities Critical educators need to connect with other social movements to put a radically democratic agenda based on the principles of equity access and emancipation at the center of educational praxis Many countries in Latin America like in other continents are developing new alternatives for the reconstruction of social projects these emerging sources of hope are the central focus of this book Major historical change always starts with people's social movement Democracy can be one of the best political and social systems in the world but for it to work entails the sustainable participation of citizens Above all it requires that people be informed and critically educated since the quality of democracy depends on quality of education There are 2 kinds of power money and people If people exercise their agency they can be more powerful than money There are some organizing principles of social movements as don't do for others what they should do for themselves Saul Alinsky wrote Rules for Radicals A pragmatic primer for realistic radicals Mary Rogers Cold Anger A story of faith and power politics Michael Gecan Going Public An organizer's guide to citizen action and Ernesto Cortez's Industrial Area Foundation are all great sources for organized activism that do work I put some of these principles to the test and they produced positive results I was a founder and president of a union at my university and I lived my whole life as an activist and learned that we can do more together than alone Now we also have a new digital war with the Cambridge Analytica and Breitbart's fake news manipulation however we also have social justice hacktivism to counteract it as well as other democratic social media venues that critical thinkers and activists use The chapters in this book demonstrate the

importance of widening and diversifying social movements at the same time emphasizes the need to build cohesive alliances among all the different fronts What some people think is impossible can become a transformed reality for those who dare attempt changing the world as global citizens

Bilingualism and Bilingual Education: Politics, Policies and Practices in a Globalized Society B. Gloria Guzmán Johannessen, 2019-01-14 This volume presents a multinational perspective on the juxtaposition of language and politics Bringing together an international group of authors it offers theoretical and historical constructs on bilingualism and bilingual education It highlights the sociocultural complexities of bilingualism in societies where indigenous and other languages coexist with colonial dominant and other prestigious immigrant languages It underlines the linguistic diaspora and expansion of English as the world s lingua franca and their impact on indigenous and

other minority languages Finally it features models of language teaching and teacher education This book challenges the existent global conditions of non dominant languages and furthers the discourse on language politics and policies It does so by pointing out the need to change the bilingual multilingual educational paradigm across nations and all levels of educational systems

Demagogue for President Jennifer Mercieca, 2020-07-07 Winner Bronze 2020 Foreword Indies Political and Social Sciences Winner 2021 PROSE Award for Government Politics Deserves a place alongside George Orwell's Politics and the English Language one of the most important political books of this perilous summer The Washington Post A must read Salon Highly recommended Jack Shafer Politico Featured in The Best New Books to Read This Summer and Lit Hub's Most Anticipated Books of 2020 Literary Hub Historic levels of polarization a disaffected and frustrated electorate and widespread distrust of government the news media and traditional political leadership set the stage in 2016 for an unexpected unlikely and unprecedented presidential contest Donald Trump's campaign speeches and other rhetoric seemed on the surface to be simplistic repetitive and disorganized to many As Demagogue for President shows Trump's campaign strategy was anything but simple Political communication expert Jennifer Mercieca shows how the Trump campaign expertly used the common rhetorical techniques of a demagogue a word with two contradictory definitions a leader who makes use of popular prejudices and false claims and promises in order to gain power or a leader championing the cause of the common people in ancient times Merriam Webster 2019 These strategies in conjunction with post rhetorical public relations techniques were meant to appeal to a segment of an already distrustful electorate It was an effective tactic Mercieca analyzes rhetorical strategies such as argument ad hominem argument ad baculum argument ad populum reification paralipsis and more to reveal a campaign that was morally repugnant to some but to others a brilliant appeal to American exceptionalism By all accounts it fundamentally changed the discourse of the American public sphere

Biscuits, the Dole, and Nodding Donkeys Norman D. Brown, 2019-10-22 A fascinating tour of Texas state politics during the Great Depression from the historian and author of Hood Bonnet and Little Brown Jug Keith J Volanto author of Texas Voices When the venerable historian Norman D Brown published Hood Bonnet and Little Brown Jug in 1984 he earned national acclaim for revealing the audacious tactics at play in Texas politics during the Roaring Twenties detailing the effects of the Ku Klux Klan newly enfranchised women and Prohibition Shortly before his death in 2015 Brown completed Biscuits the Dole and Nodding Donkeys which picks up just as the Democratic Party was poised for a bruising fight in the 1930 primary Charting the governorships of Dan Moody Ross Sterling Miriam Ma Ferguson in her second term and James V Allred this engrossing sequel takes its title from the notion that Texas politicians should give voters what they want When you cease to deliver the biscuits they will not be for you any longer said Jim Pa Ferguson while remaining wary of federal assistance the dole in a state where the economy is fueled by oil pumpjacks nodding donkeys Taking readers to an era when a self serving group of Texas politicians operated in a system that was closed to anyone outside the state's white wealthy echelons Brown unearths a
