

Groups of individuals operating as a team (within the Company's team guidelines) are allowed to count all unit and volume production of any team member as production of the team. All awards are recognized and issued in the Team's name. Teams referring business to other agents within the company (defined by PTR as a 'share split') do not share in the unit or volume credit awarded on the deal so referred. Only the person (or team) actually working the deal gets to claim production credit for the unit or volume of that deal. Deals that are referred out to other agents (share splits) are paid to the receiving agent on the receiving agent's own respective commission split schedule and not as an off-the-bottom referral on the referring agent's commission split schedule.

Similarly, individuals who are NOT operating as a team (within the Company's team guidelines) are NOT awarded unit or volume credit for any deals that they do not personally work themselves. Awards for Individual production are issued in the Individuals name. This policy cannot be superseded or otherwise set aside by any mutual agreement between agents.
