

The story talks about a group of high-school students calling themselves the Wolverines, who refuse to obey the occupants. The paper will follow the plot of the original movie and the remake. I also intend to look at the main theme of the movie.

The Red Dawn

The main challenge in remaking the Red Dawn is the fact that the original one was the best motion pictures of its time. In the year 1984, there was a lot of tension which was as a result of the Cold War. The Red Dawn exploited the fears and the national xenophobia hat ensued. In 2012, despite the fact that there was fear of another attack by the extremists of Middle East, people were not afraid of an invasion (Mullen, p1). The plausibility was so high in the air that the invading army was changed in post-production to from China North Korea. The culture of fear came to an end but the air bombings on the neighborhoods and soldiers parachuting in towns arestill terrifying. The remake has done a good job by creating tension and chaos, unlike the terror that was in the earlier version.

There is not much impact in the film when the invading force changed from China to the North Korea. The changes are unnoticed and the one playing the invasion team head is Yun Lee, a Korean by origin (Mullen, 2012).The fear which was there of the North Korea reduced following the Kim Jong 11's death in December.

The theme of the movie

The theme of the movie is a decision that must be made by every team member regarding the actual fight. The members have to decide whether to
