gratification that these things brought was never enough to appease my thirsting soul While I was running from God He never stopped pursuing me He just wanted my heart He wanted to show me that He was everything I was looking for and more God doesn't stop caring for us and will always be there when we realize this world isn't enough

The Silent Speaker Megan Ross,2024-09-11 Are we unaware of the evil that lurks around us Are the choices we make living our lives influencing the silent voice that lives within us Who has the power to control or change that inner voice when it goes into darkness What you re about to read is based on real life events that happened to me while becoming a fashion and beauty influencer and living life the way I saw fit With myself in control and working hard to become successful I thought I had everything figured out nothing was going to stop me from reaching the status I so desperately wanted What was I willing to sacrifice to reach that goal Physically the effects of stress were taking a toll on my body Mentally my inner voice was going into darkness Feeling

trapped I reached out to God and asked for help I was finally listening and giving up control One night God used my daughter to get my attention That night my life changed forever I told Him I was listening and I never looked back The journey I've been on for the last three years is unexpected and transformative This is my testimony of how God saved me and showed me how to help young adults and kids safely use social media Resources in Education ,2000-10 **In CHEAP We Trust**
