

Kensington Valley Hockey Association
Pee Wee AA Hockey Club

THANK YOU for trying out for the Kensington Valley Pee Wee AA 2007-2008 Fall Travel Hockey Team!

Unfortunately, we are faced with the tough decision of picking only a handful of players. The coaching staff has made every effort to make the tryouts a fair and enjoyable experience for every child and parent. We understand that not making a team is a disappointing time in our lives. It is also a time to hold your head high and to be proud of your accomplishments. Every child worked very hard and displayed great admiration for this outstanding sport!

Though you have not been selected for this Fall team, we encourage you to try again in the Spring. We want to remain friends and would like to see how your upcoming season progresses. If you see one of the coaches, other players or parents, let them know how you are doing. We honestly do care for all of these fine kids!

Please continue to practice and play to the best of your abilities. Work on the things that will make you a better hockey player. The coaches had some difficult decisions this tryout and it is your job to put them to the test in the Spring!

We appreciate all of the parents who have helped us out and have become our friends, thank you very much!

Best of Luck,

Tom Miller
Head Coach

Get in the Game Kevin Atlas, 2020-02-25 Be inspired by the story of Kevin Atlas formerly Laue whose faith and perseverance helped him become an NCAA Division I basketball player despite being born with only one arm Even before entering the world Kevin Atlas was a fighter He should have died in childbirth as the umbilical cord was wrapped around his neck twice but he survived because his left arm was in the middle of it allowing blood to flow to his brain But since circulation was cut off in that arm he was born with his left arm ending just below his elbow GET IN THE GAME is Kevin's story of transformation Moving from anger to joy From embarrassment to confidence From the sidelines and wishing his life was different to getting in the game and showing who he is Kevin's arduous journey to earning a scholarship to Manhattan College in New York City and becoming the first NCAA Division I basketball player missing a limb has given him keen insights to help anyone who feels trapped and defeated by less than perfect circumstances whether physical mental or environmental Kevin doesn't encourage readers to simply accept and live with their challenges hurts and losses He spurs them on to believe any weakness can in reality become the one thing that propels them to achieve their greatest potential As Kevin has learned throughout his life you can't win if you don't get in the game
