Reading and the Reference Librarian Juris

Dilevko, Lisa Gottlieb, 2014-10-16 Reference librarians are no longer expected to know much about the information they find they are merely expected to find it Technological competency rather than knowledge has become the order of the day In many respects reference service has become a matter of typing search terms into a library's online catalog or a web search engine and providing the patron with the results of the search Calling for a re intellectualization of reference librarianship this book suggests another approach to providing quality reference service reading The authors surveyed both academic reference librarians and public library reference personnel in the United States and Canada about their reading habits From the 950 responses the authors present findings about the extent to which librarians read newspapers periodicals fiction and nonfiction and recount and analyze stories about how reading has made them better librarians The authors also report that North American professors in the humanities and social sciences believe that the best reference librarians are those who have wide ranging subject based knowledge as opposed to the type of process based functional knowledge that is increasingly dominating the curricula of many Library and Information Science programs

Love Is a Canoe Ben

Schrank, 2025-09-23 A New York Times Book Review Editors Choice Ben Schrank's Love Is a Canoe is a smart funny romantic and hugely satisfying novel about the fragility of human relationships and a heartwarming reminder of what it really means to be good to those we love The author of a classic self help guide to love and relationships Peter Herman has won the hearts of romantics and cynics alike But decades have passed since Marriage Is a Canoe was published and a recently widowed Peter begins to question his own advice Much to his chagrin he receives a call from Stella Petrovic an ambitious young editor in New York City who forces him to reconsider his life's work not to mention the full force of his delusions The book's fiftieth anniversary is approaching and Petrovic has devised a contest to promote the new edition The prize The chance for the winning couple a pair of outwardly happy Brooklynites named Emily and Eli to save their relationship by spending a weekend with the reclusive author If Peter is going to help the contest's winners he must discover what he meant when he wrote Marriage Is a Canoe and also find a way for himself to love again
