Wise,2016-08-09 Is your child getting lost in the system becoming bored losing his or her natural eagerness to learn If so it
may be time to take charge of your child s education by doing it yourself The Well Trained Mind will instruct you step by step
on how to give your child an academically rigorous comprehensive education from preschool through high school one that
will train him or her to read to think to understand to be well rounded and curious about learning Veteran home educators
Susan Wise Bauer and Jessie Wise outline the classical pattern of education called the trivium which organizes learning
around the maturing capacity of the child s mind and comprises three stages the elementary school grammar stage when the
building blocks of information are absorbed through memorization and rules the middle school logic stage in which the
student begins to think more analytically and the high school rhetoric stage where the student learns to write and speak with
force and originality Using this theory as your model you ll be able to instruct your child whether full time or as a supplement
to classroom education in all levels of reading writing history geography mathematics science foreign languages rhetoric
logic art and music regardless of your own aptitude in those subjects Thousands of parents and teachers have already used
the detailed book lists and methods described in The Well Trained Mind to create a truly superior education for the children
in their care This extensively revised fourth edition contains completely updated curricula and book lists links to an entirely
