Emory Bellard, Al Pickett

Texas Staar Coach 8th History:

Whitaker's Book List, 1989 *Who's who in Finance and Industry*, 1995 **Pigskin Pulpit** Ty Cashion, 2006 High school football is one of the identifying institutions of twentieth century Texas. It is not unusual to see youthful football players placed on the same pedestal as the cowboy oil man or other icons of the Lone Star State. In fact, it is shaped in the image of its coaches who are by and large an enigma to most of us. We think of them as caricatures: men who are alternately revered and vilified, usually depending on how many games they have won recently, but they have always been members of a traditional closed society and we do not really know them in their complexities. **Pigskin Pulpit** opens the Texas high school coaching profession to historical scrutiny for the first time, examining this breed of men who shaped the game and generations of players in their own images. Tracing side by side the development of the game and the coaching profession from its beginnings to today, author Ty Cashion explains how this avocation wove itself so tightly into the fabric of Texas culture. Football fans and critics of the game alike will be drawn into this probing analytical study that is sure to become a Texas classic.

Wishbone Wisdom Emory Bellard, Al Pickett, 2010 Coach Emory Bellard spent a remarkable 43 year football coaching career at both the high school and college level where he helped teams win 12 district championships, five regional titles and three state championships in 21 seasons as a high school coach in Texas. He also won five Southwest Conference crowns and two national titles during his collegiate career as an assistant coach at the University of Texas and as a head coach at Texas A M and Mississippi State. Bellard collaborated with veteran sports writer Al Pickett to tell the remarkable story of his career for the first time, including how he invented the wishbone offense when he was an assistant to Darrell Royal at Texas and why he resigned in the middle of the season as head coach at Texas A M. Coach Emory Bellard spent a remarkable 43 year football coaching career at both the high school and college level where he helped teams win 12 district championships, five regional titles and three state championships in 21 seasons as a high school coach in at Ingleside, Breckenridge, San Angelo and Spring Westfield in Texas. He also won five Southwest Conference crowns and two national titles during his collegiate career as an assistant coach at the University of Texas and head coach at Texas A M and Mississippi State. It was during his stint at Texas in 1968 that he invented the wishbone, an offense that revolutionized college football and produced seven national championships between 1969 and 1979. Al Pickett, a veteran Texas sports writer and sportscaster, is the author of two other books: *Team of the Century* which chronicles the seven years that Chuck Moser spent as the head football coach at Abilene High, and *The Greatest Texas Sports Stories You've Never Heard*.
