

What to bring with you when applying for a Texas Driver License or Identification Card

To be issued a non-commercial driver license (DL) or identification card (ID) in the state of Texas, you must bring the following documentation to your local driver license office:

1. [Application](#) for an Original Texas Driver License or Identification Card
2. Proof of U.S. Citizenship or Evidence of Lawful Presence
3. Proof of Residency
4. Proof of Identity
5. Proof of Social Security Number
6. Proof of Insurance for each vehicle you own
7. Evidence of Texas Vehicle Registration for each vehicle you own (New residents who are surrendering an out-of-state driver license only.)

This checklist will help you identify what documents in each section you will need to bring to your local driver license office so that you may apply for a DL or ID. Any documents you bring to prove your identity must show the same name and date of birth. If they do not, you must present additional supporting documents – such as a marriage certificate, divorce decree, or court-ordered name change – to demonstrate the reason for the differences in names and/or dates of birth.

Follow the directions listed for each section and check the appropriate document(s) you have that you can bring with you. Upon completing all sections, gather the documents you have checked and visit your local driver license office to begin the application process. All driver license office services require an appointment. Visit www.dps.texas.gov/DriverLicense/appointments.htm to review important information and to schedule your appointment.

Additionally, you will be required to pay an issuance fee. If you will be taking a driving skills test or you are a teen applicant applying for a driver license for the first time, you will have additional requirements which may be found here: www.dps.texas.gov/DriverLicense/ApplyforLicense.htm.

Section 1. Proof of U.S. Citizenship or Lawful Presence

You must provide proof of U.S. Citizenship or lawful presence in the United States. Most documents will be verified through the U.S. Department of Homeland Security's SAVE Program. Verification through SAVE is often instantaneous, but when it is not, receipt of the DL/ID may be delayed for up to 45 days.

Check one document you have from this list that contains your full legal name. This will be your proof of U.S. Citizenship or Lawful Presence in the United States.
